Deep Sidhu is a Punjabi actor.

In 2019 Loksabha elections, he campaigned for BJP leader & Bollywood actor Sunny Deol.

There are many such singers & actors in Punjab who support Khalistan behind closed doors. For example Hard Kaur, Jazzy B, etc.

Deep Sidhu is one of them. 1/4

The first day when it was said that Deep Sidhu is a Khalistani.

Our liberals said he's voice of farmers.

Later, He also gave pro Khalistani statement in his interview to Barkha Dutt.

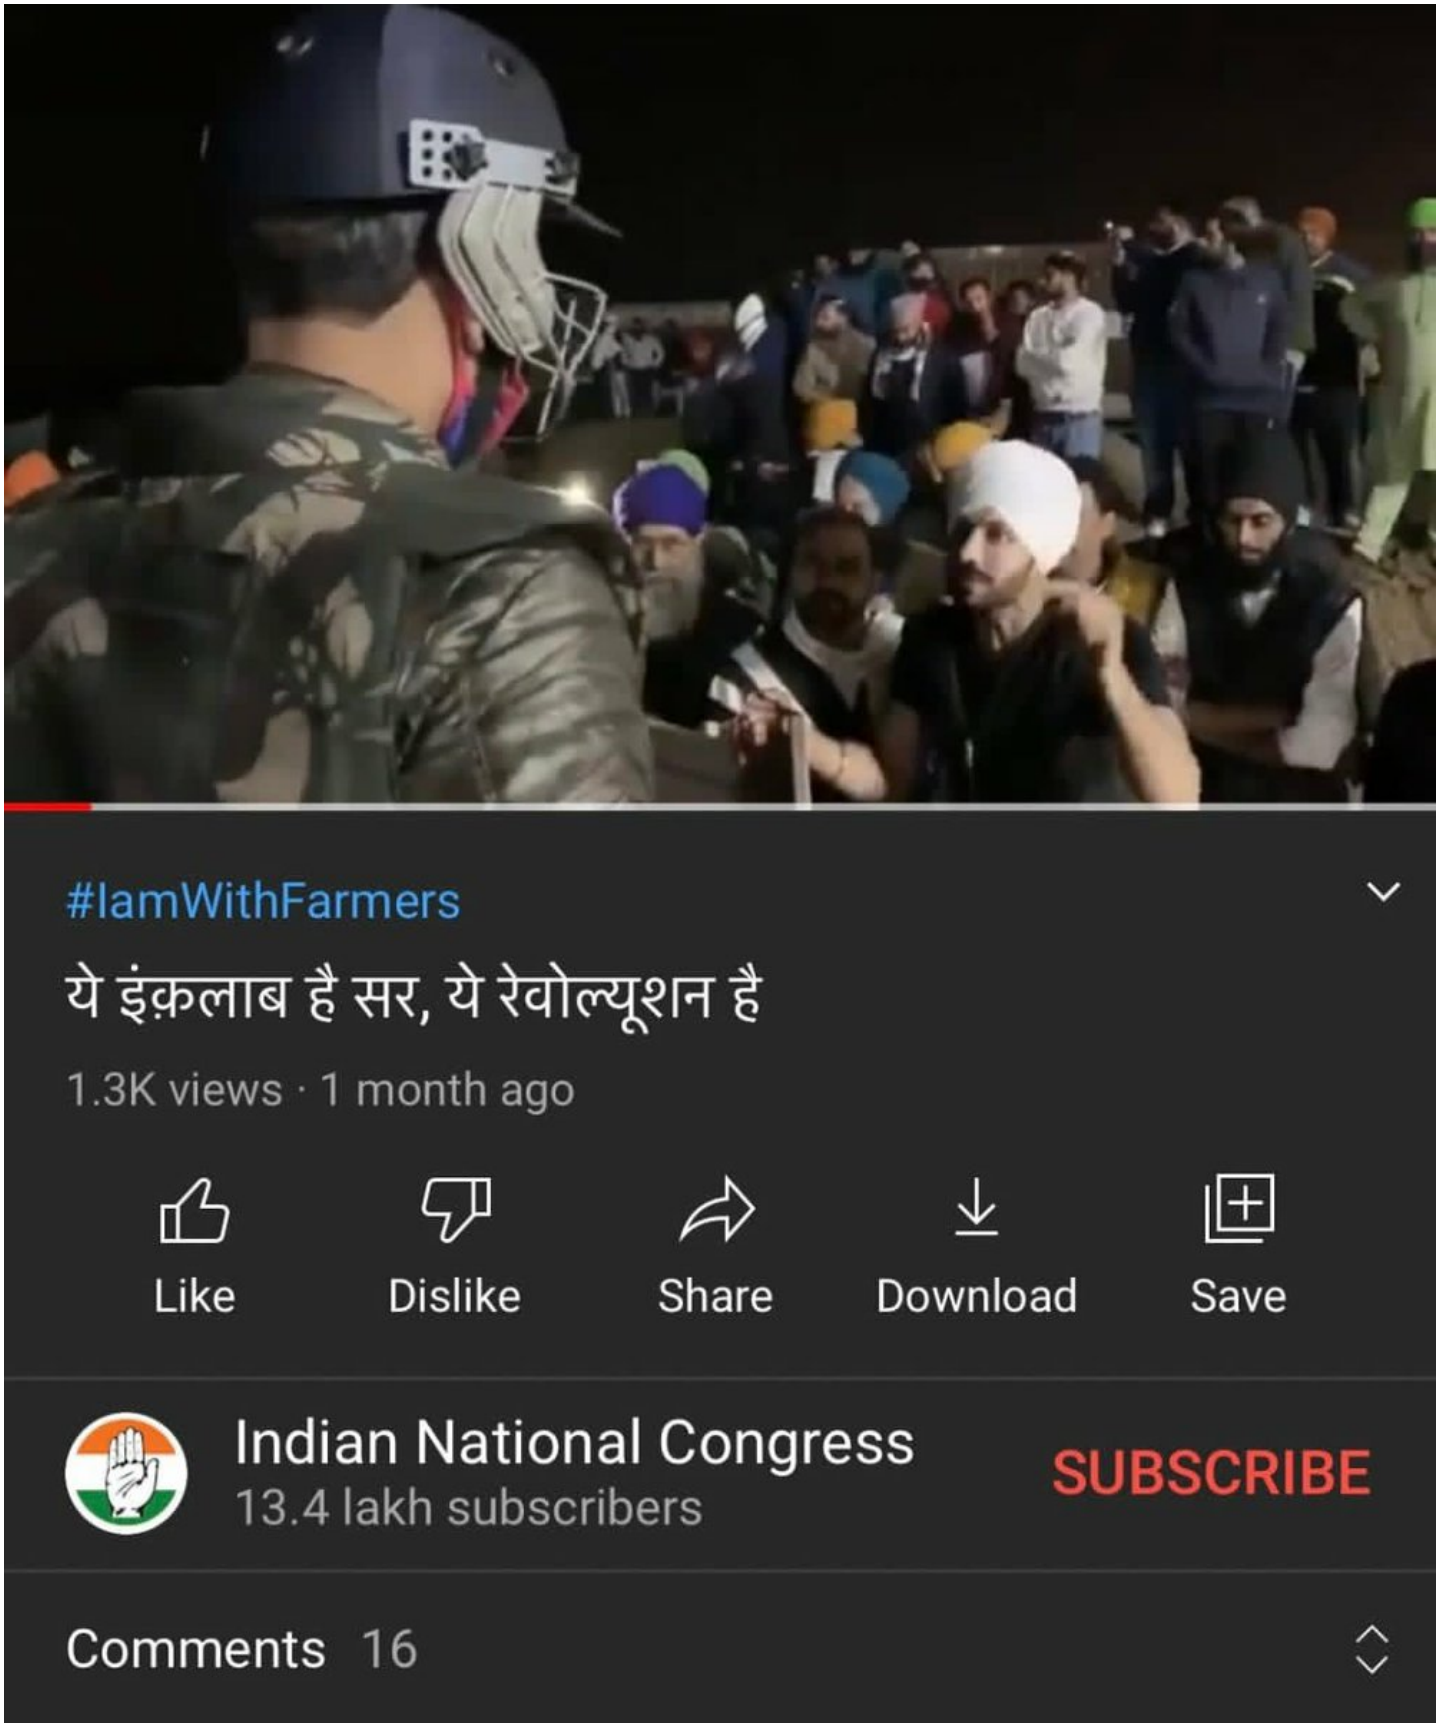

And, Now, our liberals are deleting their old tweets in which they were supporting Deep Sidhu.

We were telling that Deep Sidhu is a Khalistani.

And, Khalistanis infiltrated farmers' protest.

But at that time, only we were being abused & labeled as communal.

Deep Sidhu had become "The Voice of Farmers" for them. 3/4

MLA Naresh even made Deep Sidhu a farmer.

Few days ago, NIA summoned Deep Sidhu. Then, everybody played victim card that farmers are being threatened.

Yesterday, Deep Sidhu was present at Red Fort during the incident.

Where all those who made him Hero? Arrest Deep Sidhu. 4/4.

And at last, I want to ask that why no body is talking about:

1. AAP Leader Amrik Singh.
2. Congress Supporter Nikhil Bhalla.
3. Communist flag

All these were present yesterday at the Red Fort during the flag incident.
