Story says that, the Krishna Vigraham was worshipped at Edakkalathur. The people wanted to protect the Vigraham as villagers faced difficulties. So, they carried the Vigraham to Namboodiri of Kachanappilly illam and thus Prathishta was done here.

The Story of Bhagavathy is related with Kodungallur Amma. Kachanappilly illam were devotees of Kodungallur Bhagavathy and due to their Bhakthi Devi came to their illam. The chaitanyam was later transferred to the garbha griham here.

Hare Krishna
