Sri Navaneetha Krishna, Doddamallur, Karnataka.

In this Kshetram, it is said that the Childless couples who pray to Ambegal Krishna will be blessed with an issue.

There was once a rich woman, who resided in Bhadrachalam, on the banks of River Godavari in Andhra Pradesh.

She lost her vision. Our Navaneetha Chora appeared in her dream and asked her to come to Dodda Mallur and do seva to Him following which she made enquiries about this place and reached Mallur.

She prayed Sri Krishna day in and day out. The Lord then restored her eyesight.

From that day on, she would adorn the temple and sanctorum entrances with Kolam (Rangoli) and worship him.

Even though she was rich, she lead an austere life. She would subsist on alms from which she would still save some amount of money for Lord Krishna.

The little Krishna would then appear in her dreams and ask her for jewelry.

She would then have the jewelry made as per the Lord's demands and offer it to Him.

She renovated the Garbha Griham, Maha Dwaram, etc.

She attained the lotus feet of the Lord doing seva to Him, all her life.

Another incident occurred about one hundred and thirty years ago when the then Maha Raja of Mysore came to have the darshan of Lord Aprameya, Aravindavalli & Krishna at Mallur.

He was so attracted to the lovely archa-vigraha of Lord Krishna that he took the same to his palace!

The same night he had a vision in which Lord Krishna ordered him to return Him back to the temple at Dodda Mallur, failing which great harm would befall him.

Unfortunately, the Raja did not heed the words of the Lord as a result of which a portion of his Palace was consumed by fire.

The Raja was then forced to restore the archa-vigraha back in the temple of Mallur.
