**Nachiar Koil or Thirunarayur Nambi Temple, situated in Kumbakonam district is one among 108 Divya Desam in Tamil Nadu. Mahavishnu is worshipped as Srinivasa Perumal and Lakshmi Devi as Nachiyar.**

**Sthala Puranam says that**

Rishi Medhavi wished Lakshmi Devi should be born as his daughter and did tapasya. Thus Lakshmi Devi was born under the Vanjula tree and named as Vanjulavalli. Mahavishnu came here and expressed his desire to to marry Vanjuvalli. Rishi accepted bhagwan's wish with a one condition

that Devi should be given first priority here. Perumal agrees and thus this temple is famous in the name of Thayar as Nachiar Koil.

Kal Garuda is very important here. The story says that a sculptor who was making vighram of Garuda found it flying

suddenly after he had made its wings. Shocked at this he threw a stone at Garuda which struck on Garuda's nose. Garuda came down and decided to stay here and bless all.
