Kannudaya Nayaki Amman Temple is located in Nattarasankottai, of Tamil Nadu. Devi is Swayambhu here and is worshipped as Kannudaya Nayaki / Kannathal. Amman is famous for curing eye related issues.

Kannathal emerged here for destroying Mahishan, an asura who is supposed to be killed only by a women.

Story says that, once people who were traveling through the area, could not proceed after a certain place. The people went to the King of that area and informed the same.

But the day before people met King, Devi came in King's dream and told him about a Vighram near the forest. King along with the people went to the forest and started digging. While digging, a person got hit in the eye and lost his eye sight
