WHAT TYPE OF FLOWERS SHOULD BE USED AND NOT TO BE USED FOR DEV PUJA.

As per Agnidev, Shri Vishnu is fond of Dhoop, Deep and Naivedya. Then Agnidev describes as to offering of a particular flower yields what result.

In puja the preferred flower is of malti.

The flowers of Tamaal provide bhog and moksha. Malika flower destroys all your sins. Juhi flower takes you to Vishnu lok. Karvir flower takes you to Vaikunth. Mogra and lodhra also take you to Vaikunth lok. Japa pushp gives you punya. Pavanti, Kubjak and Tagar take you to Vishnu

lok. Kaner takes you to Vishnu lok. Kurunt or yellow kutsaraiya destroys your sins. Lotus, kuunt and Ketaki give you Paramgati. Baan pushp, Barbar pushp and Krishna tulsi leaves give you paramgati. Ashok, Tilak and Adusa flower provide

you moksha.

Bilva and Shami leaves provide you param gati. Tamaal dal and Bhringraj flowers provide moksha.Krishna tulsi, Shukla tulsi, Kalhar Utpal and Padma give you moksha.

Shri Hari is more pleased with garland made of Neep, Arjun, Bakul, Palash, Muni, Gokarn, Nagkarn, Chameli,

Sandhya pushpi, Ketaki, Kushmand, Kus, Kaas etc.

It is always better to take flowers from your garden.Also never pick up fallen flowers for making offerings. Also never take crushed or stale flowers. Similarly flowers to be avoided are Shirish, Kutaj, Dhatur, kachnaar & Shalmali

as offering this takes you to narak. Kevda and neem flowers are supposed to represent pisaach.

Flowers in the form of ahimsa, empathy, kshama, gyan, swadhyay will always take you to moksha. But then all these flowers are external offering.

What Hari requires is your internal devotion.

Water is Vaarun pushp, milk and ghee are soumya pushp , food grains are prajapatya pushp, dhoop and deep are agneya pushp, flowers are vanaspatya pushp, Kuush is parthiv pushp, gandh chandan are vaiavya pushp,

devotion is vaishnav pushp.

Bhagwan Shiv is worshipped by offering Aak and Madaar. Never offer him Kutaj, ketaki and Karkati.
