How to Make a KILLING on LINKEDIN

People are making 6-7 figures a year off this platform ■

In 1 hr a day, **THIS** is how you do it

FIRST

You need a high ticket B2B offer

Consulting, email marketing, enterprise SaaS, etc

Stop reading here if you don't have a high-ticket offer

This thread is useless for you

OK, STEP 1 - OPTIMIZE YOUR PROFILE

By far the most important thing

You're gonna get 500-1000 profile views a week

Don't have an incredible profile = you're losing free \$\$

Check my profile (in my bio), like this tweet, & DM me

And I'll tell you how I optimized my profile

STEP 2 - MAKE FIRE CONTENT

- 5x/week
- Position yourself as an expert
- Post at 9AM-1PM
- Mix it up - text, videos, photos
- Sprinkle in emojis
- Speak like you're having a convo
- NO shitty infographics, industry stats
- Respond to & like EVERY comment on your posts

Simple

STEP 3 - 30 COMMENTS 50 LIKES

Follow dope content creators in your & your prospects' niche

Engage with their shit... like it & leave genuine, clever, high-level comments

30 comments & 50 likes a day ■

STEP 4 - CONNECT

Connect with high-level people

Now this is the key...

When you connect, you can add a "note"

ALWAYS add the note & make it PERSONALIZED

This is how your acceptance rate goes from 20% to 80% ■

Hey {first name}, {comment/compliment}

Let's connect.

STEP 4 (CONT.)

DON'T PITCH ANYTHING... yet

You'll stand out

Attached a few pics of my personalized messages ■

Do this EVERY SINGLE DAY for 6-12 months & I guarantee you'll be at 6 figures

I'm thinking of making a thread about how to get 2+ leads A WEEK from LinkedIn Outreach next

Want to make that happen

RT & like this threads' 1st tweet■■■■

250 likes & I'll do it

****END THREAD****

Guess I'm not making that thread lmao

No way this gets 250 likes ■■■■■■

WE GOT A SECOND PUSH

Lol nice ■■
