Amarar idar theera amaram purintha

kumaranadi nenjeh kuri.

For those who pray this hymn (dedicated to Lord Muruga), their insufferable eternal karmic consequences will be wiped off!

Even those intolerable sufferings will vanish!

For those devotees who fervently pray & commit this to memory, riches & spirituality will increase!

All their penance will surely bear the desired boon

By this Shashti Kavacham written by the grace of our faultless, blameless, blemishless Bhagavan (Nimalan - variously attributed to both Bhagavan Murugan & Bhagavan Shiva)

Oh my mind, dedicate yourself to the glories of Lord Kumaran, who ended the woes of the Devas, At His blessed & lovely feet, shall we all meditate...
