What is Khilafat movement ?

Why is this not being spoken about in the Indian history books. Is it because it will show Mohandas Karamchand Gandhi in bad face. The brand building which has been done

So never expect a Muslim to think nation first on his priority. That is the sad truth which US British and European missed to see and are struggling. For them it is unmat and darul Islam every where. Unity is key and never forgive forget the atrocities on them.
