

## Twitter Thread by Michael Beaton

**Michael Beaton**

@mhbx

**@adamsteinbaugh Thx. Read it. Nothing new here. Though well summarized. It would be foolish for me to try and discuss much less counter the very many half & full misconceptions. That this is detail making up the hard foundation of your complaint is... well..ibid.**

**I get you & yours believe it be**

@tommy\_pane @adamsteinbaugh 9/ systems ... contorted out of shape, all to make the answer "Trump won" come out.

It is tantamount to breaking every mathematical premise to make  $2+2=5$ .

You can do it (how many fingers Winston?) but at what cost to everything else?
