Mihup (a Kolkata based startup where Xelpmoc holds around 11% stake)

Some future plans and updates:

• The company plans to raise Series B funding in next 3 months.

• The company plans to expand into the international market with the next round of fundraising.

(1/2)

• They have witnessed a 5x jump in their client base in a matter of just one year.

• They have also onboarded 10 new clients in the last quarter.

• The goal is to touch $3 million ARR in FY22.
