Likes and retweets without signing don't help much.

So please SIGN the petition below to teach fun free #Podometic #BharatiyaMaths built on Aryabhata's base ten logic & the 18 Sutras of Brahmagupta for 0 negative & positive. ■

https://t.co/VjJKEQqDnR

My research began with VM in 1983.

Then over 37 years I went deeper & beyond.

The new #Podometic system for 2021 truly unlocks the numerical power of Aryabhata's system of Base 10.

So, if you know the 18 Maths Sutras of Brahmagupta, then you can be a teacher of #BharatiyaMaths
