The Indian Colonised Identity Test

#decolonise
#Indigenous

The #Colonised #Indian Identity test

1) Discomfort, defensive & apologetic of Indian identity

2) Seeking White/Western validation only

3) Normalised self hatred e.g 'don't be like typical Indian' or complements like 'You look/behave like angrez' (English/White)

4) Emotional but not confident in identity

5) Guilt & justify everything wrong in India but can't hold slave traders accountable

6) Conscious of own English accents whilst ridiculing Indian accents

7) Competing & outdoing Indians only but 'Vasudhaiv Kutumbkam' only with others

8) Try to fit in outside by compromising core but no respect for Indians rules/laws

Indian Identity test if colonised
For NRI,Brown Sepoys,ABCD's & Coconuts

Prefers to live & hangouts in areas with Whites, moves out of if many Indians join

Finds Indian localities as ghettos & avoids

Photos with Whites as trophies to be used for profile & social media display pictures

Prefers White boss & disrespects if Indian

Tries hard to hide Indian accent by putting on Western or any non-Indian accent

Humble & even prostrate talking to Whites but patronising with fellow Indians

Finds it deeply humiliating if someone doesn't get their accent or pronunciation

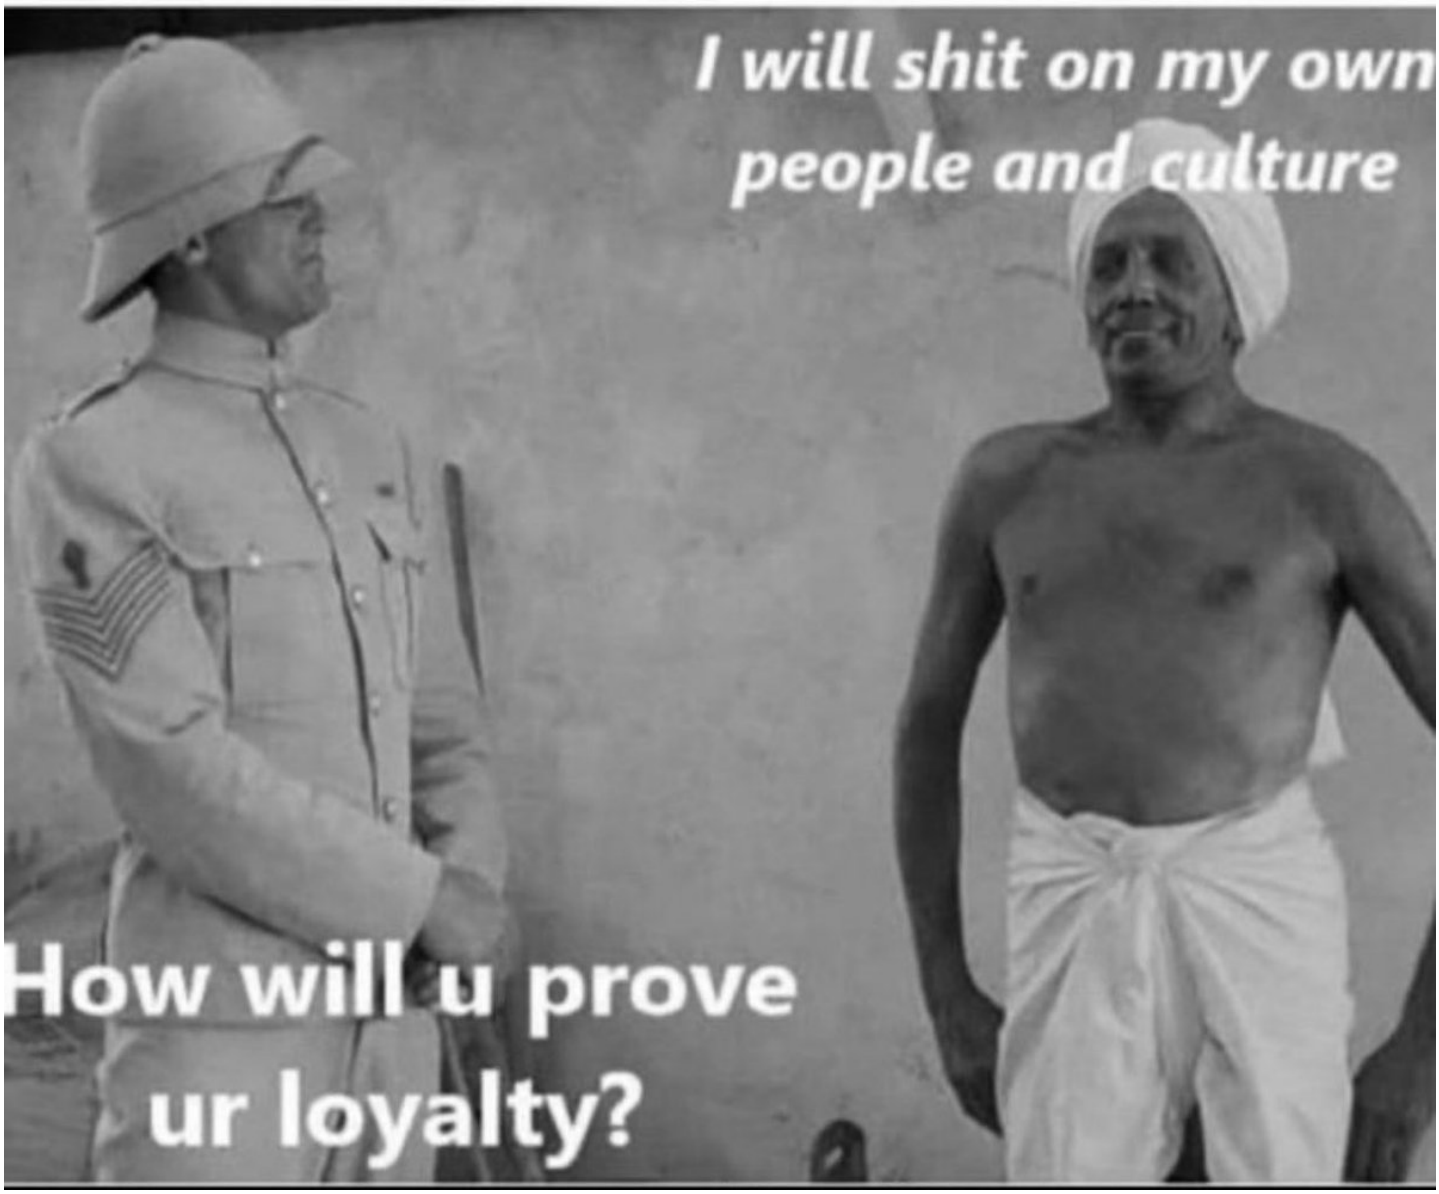

Conversing with co-linguist Indians too only in English even if struggles badly

#decolonise

Colonial ecosystem have deep #HinduHatred exactly how the invaders & coloniser of foreign Supremacist & Exclusivist ideology

They attacked, killed & robbed all #Indigenous around the world

#Bharat survived despite millenniums but colonial ecosystem is still empowered in India

Racist Invaders & Colonisers created colonial ecosystem, discriminating #Indigenous based on colour #WhitePrivilege

Like #Apartheid ApartHood segregational policy

Colonisation, like ‘Circus Ringmaster’ trains Lions into subjugation by reinforcing their behaviour

African Proverb-edited:
Until Lions breaks shackles & chains,
the weak RingMaster shall keep whipping Lions

#decolonise breaks shackles & chains from weak insecure RingMasters

Invaders, crusaders & colonisers created, nurtured & nourished colonial ecosystem before handing over power to them in 1947

Freedom: frees physical occupation
Liberty: intellectual space too

#Decolonise liberates #Freedom to #Liberty

Following all rules but have no say
Seeks umpires opponents validation

Our journey to #decolonise shall traverse galli,mohalla,kuccha,talluk, gao,chaupal & every commoners of #Indigenous #Bharat in our words & not through AngloSphere or in any Western university

Identity of success in India is colonised

Accents, mannerism, ideals & expressions varies in cultures/societies but Colonised think Westernise as Modernise & Universal

Most celebrities ridicule/humiliate #Indigenous identity/beliefs/festivals like AngloSphere Colonial ecosystem

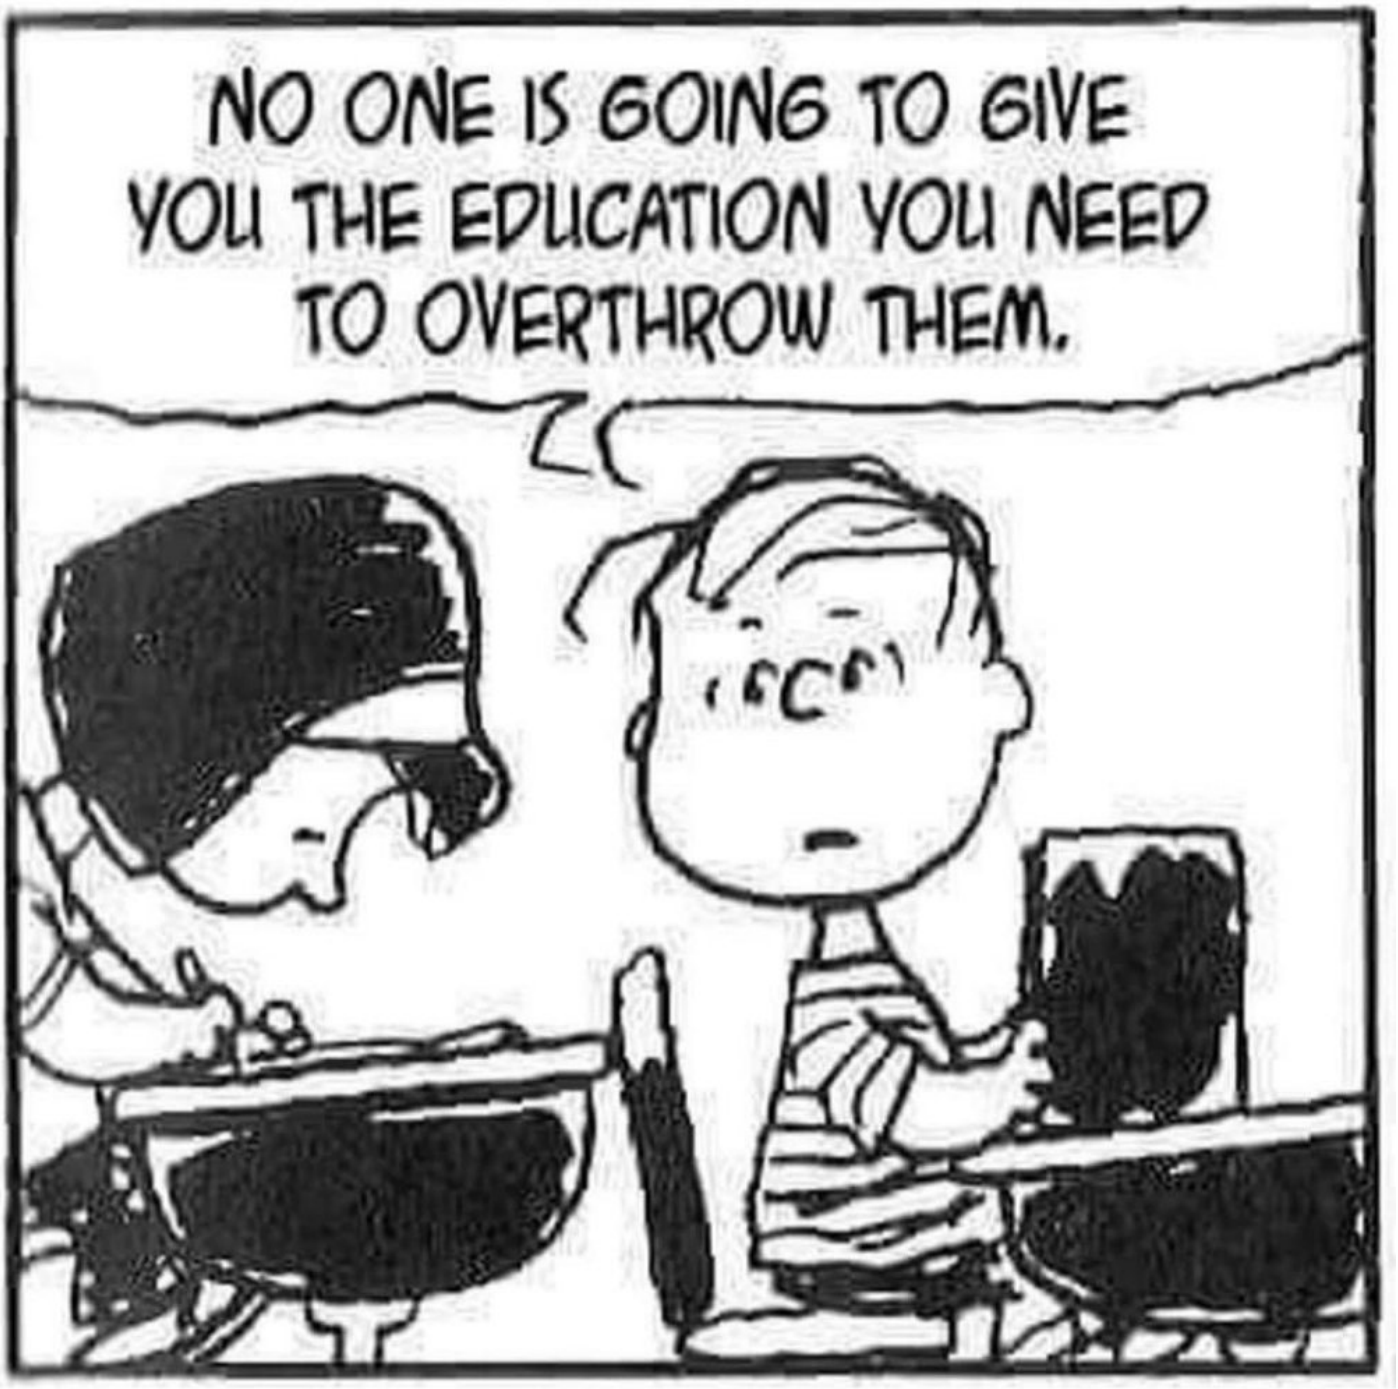

Most current evils are due to invasion & colonialism to be solved easily/quickly by one magic pill■of #decolonise

Long oppression of wounded #Indigenous #Bharat ‘Children of Civilisation’ made us not trust & non-compliant of local rules

And we are most law abiding when abroad

Today's Reminder

Colonisers imported blind Roman Justitia only but not Roman Libertas

Freedom frees physical occupation,
Liberty frees intellectual space too

We have #Freedom only, not #Liberty

#Decolonise liberates

Colonial Ecosystem created by Mlecch to continue Divide&Rule breaking #Hindus only

Aim is to convert Civilisational #Indigenous #Bharat into Abrahamic like everywhere else

Global AngloSaxon AngloSphere is in alliance providing full support

Everyone else visible is just Pawn■ https://t.co/4TMPnGldV6

We #Indigenous #Bharat are asked most frequently!

How Mlecha-Invaders & Coloniser could rule over us?

We dealt Ethically with UnEthical savages without defining Rules of Engagement who claimed
‘There are no rules in Love & War’

Lesson:
#MutualRespect has to be Non-Negotiable

Happy #IndiaIndependenceDay

Celebrate the day we freed physical occupation of Mlecch Coloniser to gain Freedom

Let’s #decolonise to liberate our intellectual space too to make it #Liberty

#NeverForget those who sacrificed
#NeverForgive Mlecch intruders

#JaiHind Jai #Bharat
