1/ Learn Anything:

A masterclass from my friend [@SahilBloom](#)

The 6-step framework he uses to learn anything.

- (1) Identify & Establish
- (2) Research
- (3) Skin in the Game
- (4) Engage Community
- (5) Teach
- (6) Reflect & Review

2/ A cheat sheet for building your career:

20 things you'll wish you knew sooner.

An amazing piece by [@RomeenSheth](#) on career growth.

<https://t.co/bEn3fTH4xs>

Early career years are painful.

You feel like an idiot 98% of the time - lost, confused and insecure.

I wish I had a cheat sheet of principles for my first job.

So I put one together.

Here are 20 things about building a career I wish I knew sooner:

3/ The 5 Traits of Elite Individuals:

I'm not sure what rock I've been living under...

I've somehow just now stumbled across [@NdamukongSuh's](#) Twitter content.

It's a goldmine.

Case in point ■■

<https://t.co/ml35Q1PLUt>

It's been over a decade since I kicked off my career.

I've worked with, invested in, and mentored some of the most elite people on the planet.

And you know what I've noticed? \U0001f440

From Tom Brady to Warren Buffet, they all have five things in common.

If you're curious \U0001f9f5

4/ Where you are -> Where you're going:

- Be consistent
- Set higher standards
- Learn to say "no" more often.

<https://t.co/3MhbepoAHw>

We ALL have a problem.

We overestimate what can be done in a day, yet underestimate what can be accomplished in a week, month, or year.

5/ Finding success-Your own way.

Everyone's definition of success, and their path to get there, is different.

A great thread from [@heykahn](#) on finding yours.

<https://t.co/6CF0RzIAiF>

10 years ago I dropped out of college.

Today I'm one of the youngest VPs at a venture-backed company in Canada.

6/ Stop procrastinating:

A simple and effective framework from [@Julian](#) for deciding what to do, how to do it, and how to get yourself moving.

<https://t.co/P5FaWSAN0J>

If you suffer from chronic procrastination..

I eventually overcame it.

4 things happened:

7/ You're never too old to learn something new:

My friend [@iposhaughnessy](#) shared this link a while back.

It's an amazing resource.

<https://t.co/zt01x7Yvzy>

8/ How to become indispensable:

When I became active on Twitter earlier this year, [@heyblake](#) was one of the first accounts that caught my eye.

Consistent, high-value, content.

Case in point:■■■

<https://t.co/0YoPwJKG2c>

You\u2019re not paid based on how hard you work.

You\u2019re paid based on how hard you are to replace.

I went from 0 to CMO in 7 years.

9/ Learn how to market anything:

I look up to [@alexgarcia\\_atx](#).

He's a machine.

Be warned.

You may spend the rest of your day doing nothing but reading Alex's work.

It's that good.

10/ A guide to startups:

What [@gregisenberg](#) has accomplished before the age of 30 is nothing short of amazing.

Twitter is insanely valuable in many ways...

For me, the ability to learn from those who are already where you want to be tops the list.

<https://t.co/uVtQHCKr4Y>

My guide to startups:

I've lost millions, hired hundreds, raised millions and sold companies before the age of 30

11/ Get Rich without getting lucky:

Perhaps the ■ of all threads.

[@naval](#)'s piece on building wealth is timeless.

Do yourself a favor.

Read. It. All.
