Pitru Paksha ■ (Days of Ancestors)

The Full moon time of Bhadrapada & the Pratipada of Krishna Paksha of Ashwin Month from Amavasya is called Pitru Paksha.

#Thread

This Time is dedicated to offering Prayers & blessings for the departed ancestors.
On Shradh we remember our Ancestors by doing Tarpan & offer foods.
Pitru Paksha gives us an opportunity to continue honouring that love &to be grateful for all we have received from our ancestors.

It is the Dharma, the duty of those who are living to offer their prayers & blessings & the fruits of their Spiritual practices for the benefit of those who have passed on.
In this way we continue to honor them,we invoke their blessings & support them on their journey onwards.

This Strengthens our 12th house which represents our Ancestors.This is why Vedic Tradition understands that the Path to liberation begins from the Peace & liberation of ancestors.
When a Person is at peace with his Prabhu & ancestors,his harvest good or bad according to the....

past karmas stored in 12th house.
What r the main Reason for Pitra Dosh
1)Most of the Times our Ancestors r not at Peace because of the wrong way of their last rites & Shraadh after death.
2) Putting hurdles or insulating any religious work also leads to Pitra Dosh.

3)Due to some evil deeds, some Pitars don't go to Pitrulok. Due to their Karma they enter the Ghost species. To relieve them from that species the Shardh rites are performed.
We have taken all the things that we have today for granted. But without the generations that came...

before us, firstly we would not exist here, secondly without their contribution we would not have all the things that we have today.
So these r the days when we express our gratitude to all of them.

May all receive the blessing of their ancestors during this Shradh Paksha.
