We are still fighting to get DeSantis enemies list, which includes me and other critics of the governor and has been used to surveil us and even unlawfully detain me. Follow me and @grantstern to stay updated on our efforts to expose the authoritarian tactics of Ron DeSantis. https://t.co/XiPUf5oZ7c

I just had two public records case court hearings cancelled because the Florida Department of Law Enforcement counsel conceded.

This makes the 4th and 5th orders to show cause I've obtained against the agency for illegally withholding the Florida Gov. Ron DeSantis' enemies list.
