Founding a startup is hard.

But building it out is even harder.

Here is a list of 20 free resources to make your life easier:

Startup Grind (Community)

The world's largest startup community.

https://t.co/OiAk9ZBzq6

Rhetoric (Feedback)

The easiest way for founders to get feedback on their pitches.

https://t.co/iw3XRWKSku

Canva (Design)

Making designs has never been easier.

https://t.co/iB9e7SnLn8

Figma (Design)

All-in-one design platform for your team.
