“Gurukul Prabhat Ashram”
It is situated on the banks of Ganganahar outside Tikri village in Meerut district of Uttar Pradesh. Here the study of Vedas is done completely on the basis of Vedic method. Here all the students talk among themselves in Sanskrit language.

@SanjeevUpadhy13 It is possible to speak in another language only outside the Gurukul campus. The students here are increasing the pride of the country by achieving success in subjects like administrative service, archery and ayurveda.
