**I made \$7,000+ by launching 9 digital products.**

**I didn't even write a single line of code ■**

**From designing to marketing and crafting sales copy that converts**

**Here are 20 free tools that every creator must know.**

**[ Mega Thread ■ ]**

{ 1 } Get Free Domain

Free domain for everyone.

There are many free options available if you don't want to pay.

{ 2 } Bio Link

If you have multiple info products adding them to your bio becomes difficult.

Use bio link, one link for all your info products and websites.

{ 3 } Buy Me a Coffee

Accept donations.

Start a membership.

Sell anything you like. It's easier than you think.

{ 4 } Gumroad

With Gumroad, anyone can earn their first dollar online.

Just start with what you know, see what sticks, and get paid.

It's that easy.

{ 5 } Typora

The new way to read and write a markdown file.

Easily convert the MD file into HTML, PDF, or any other format you wish to share.

■ <https://t.co/lCx0VO8kHw>

{ 6 } Loom

Sharing an onboarding video or explaining something via screen share becomes easy.

I launched 2 info products that had pre-recorded videos to watch at your own pace.

{ 7 } BrandBird

The Smartest Image Editor For SaaS Founders Who Build In Public!

Show off your progress in public.

2. <https://t.co/7opNP415Q>

3. <https://t.co/cP1K3PtUFC>

{ 9 } Grammarly

Since you are launching an info product, having a good backup plan to correct your grammatical mistake is a life hack.

Use Grammarly extension to resolve obvious issues in the sentences.
