Narendra Modi: Lucky General or Destiny's Favourite Child*

Let's review what has happened during the last decade.

■■ ***Haren Pandya* opposed Modi's leadership. Jihadis shot him dead.**

■■ ***Keshubhai Patel* opposed Modi's leadership. His political career is finished.**

■■ ***Shankar Sinh Vaghela* betrayed Modi. His political career too is over.**

■■ ***Shatrughan Sinha* opposed kept abusing Modi. The once Union cabinet minister is now reduced to a political pawn of a regional party.**

■■ ***Yashwant Sinha* kept abusing Modi. The former Finance Minister is now an insignificant political player in a regional party.**

■■ ***Chandrababu Naidu* backstabbed Modi. He is now in political comatose; a vegetable.**

■■ ***Sanjiv Bhatt* gave fake testimony, on behalf of Congress, to falsely implicate Modi. He is currently in jail for a murder he committed.**

■■ ***Medha Patkar* opposed Modi and tried her best to block the Narmada Project. The social activist is currently under investigation for money laundering, with adequate evidences to buy her a long jail term.**

■■ **Terrorist *Ishrat Jahan* tried to kill Modi. IB neutralised her.**

■■ ***Ahmed Patel* tried to fix Modi on fake charges. He is now rotting in hell.**

■■ ***Aakar Patel* slapped fake charges on Modi on behalf of global, anti-India forces. Now, Patel can't fly out of country. He lost his job at Amnesty India. The organisation itself is packed out of India. There are enough evidence against Patel to send him to jail for a long time.**

■■ *Lalu Prasad Yadav* used to abuse and mock Modi. He is now in jail, for a long, long time.

■■ *Sonia Gandhi* did everything to fix Modi, on fake charges. Her political power outside cultivated ecosystem is over. All her establishments inside India, including evangelical NGOs, NAC running urban naxals, and anti-Shree Ram Mandir brigade have been made irrelevant.

■■ *Rahul Gandhi*, who keeps abusing Modi, is reduced to being a laughable stock.

■■ *P Chidambaram* tried to fix Modi on many fake cases, but today he and his son, both are out on bail, after being in jail. There troubles are far from over.

■■ *Barkha Dutt* opposed Modi. She is now considered a _panauti_ (jink) by all, and is reduced to being a glorified vlogger.

■■ *Prannoy Roy*, who opposed Modi, is under investigation of serious frauds. He and his wife are in huge trouble.

■■ *Charanjit Singh Channi* tried to kill Modi. His career is over. All he can do is do the evangelical conversion dance.

Now International Players:

■■ *Imran Khan* used to constantly abuse Modi. He made a disgraceful exit as Prime Minister.

■■ *Rajapaksha*, a Modi-baiter, is in deep shit. His country is in peril, and has to seek help of Modi to tide over. He might lose power to one of his brothers, or nephews, or anyone who is a Rajapaksha.

■■ *Nepali Krushna Prasad Oli* used to abuse Modi and India on daily basis. He too lost power and is now irrelevant.

■■ Mahathir Mohammed who was effectively in power in Malaysia for more than 50 yrs tried to shore up anti-Modi & anti-India jihadi axis with Imran Khan&Erdogan,lost power.Malaysia seen pleading India to not take 94-yr old jihadi seriously,as they wanted us to buy their palm oil

■■ *Zakir Naik* was a rabid anti-Modi terrorist. He lost all his power in India, and is now hiding somewhere in Malaysia.

■■ *Maldivian PM* *Yameen* was rabidly anti-Modi, anti-India, and a consort of China. He lost power, and now Maldives has outlawed anti-India protests, as it was Indian Tourists who sustained its "floating breakfast economy" during CoViD, and also helped them with free vaccines.

■■ *Erdogan*, who is a rabid anti-India&anti-Modi jihadi,is in trouble,as Turkey has a 61.14% inflation& his path going ahead is going to be difficult. Turkey might snuff him out soon for change to happen.
Now, you know what is future of *Arvind Kejriwal* & *Mamta Banerjee*, etc!

Xi Jinping suffering with brain damage

Modi presided over the rebuilding of Shri Ram Mandir after 491 years, something which bigger men couldn't. Indeed, Modi is

God's chosen one.

For many Indians, he fulfilled the dream of Goswami Tulsidas, Shivaji Maharaj, Ahilyabai Holkar,

all Rajput Maharajas and billions of Indians, rebuilding the Shri Ram Mandir in its place was a dream they cherished and fulfilled in our lifetime under Modi.

History will remember him for that, as it is significant in similar spirit for India as a nation,

as Adi Shankaracharya redeeming Hinduism by walking all across India, Ahilyabai Holkar rebuilding all those beautiful Temples all across India, Shivaji Maharaj reigniting Dharma using his Sword of Dharma, or Sardar Patel uniting India.

We will never understand the real impact of this single act, but our future generations will. It was akin to the plucking away of an embedded thorn in soul of Bharat Mata.

Modi's adversaries self-combust to ashes, or become irrelevant.
