The image shows a Chrome extension interface for Wordtune. It features a 'Rewrite' button and a list of suggested rewrites for the text 'This opportunity interests me.' The suggestions are: 'I'm thrilled about this opportunity', 'I find this opportunity very interesting.', and 'I am interested in this opportunity.' The interface also includes icons for undo, redo, and a star icon.

(5) News Feed Eradicator:

Do you get caught scrolling newsfeeds on Facebook, Twitter, LinkedIn, and other social sites? You're not alone.

NFE removes the feed on these sites and replaces it with an inspirational quote.

All of a sudden you'll get hours of your day back.

(6) Forest:

What if staying focused meant planting real trees on planet Earth?

Forest team partners with a real-tree planting organization to plant trees when you focus.

It's like a phone game that gives you time rather than taking it away from you.

Forest is an app that helps you stay focused on the important things in life.

Whenever you want to stay focused, plant a tree.

Your tree will grow while you focus on your work.

Leaving the app halfway will cause your tree to die.

The image features a green background with three circular icons. Each icon shows a tree in a pot. The first icon shows a small green seedling with two leaves. The second icon shows a larger, fully grown green tree. The third icon shows a dead, brown tree. Below each icon is a short text description.

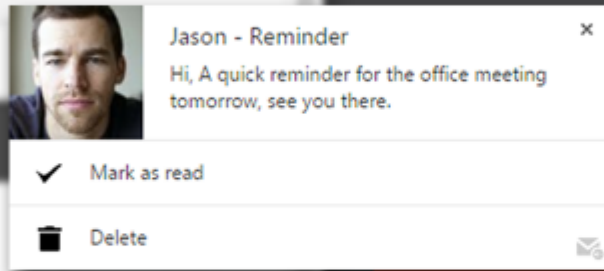

(7) Check Plus:

Get notifications, read, listen to or delete emails without opening Gmail and easily manage multiple accounts.

Not having to leave the window you're in to respond to emails is a massive time saver.

You'll work faster and more efficiently with Check Plus.

QUICKLY MANAGE EMAILS
