Chapter 1 : Rath yatra

1990 was the time when VP Singh was PM of India and Mulayam Singh Yadav was CM of UP.

BJP, RSS, VHP and Bajrang Dal were carrying out movement for Ram temple at Ayodhya. In 16th century Babar destroyed Ram temple and built Babri mosque at that site.

Hindus were demanding to build Ram temple back on that site.

In Sep 1990, LK Advani declared that he will carry a Rath Yatra from Somnath to Ayodhya n will do Kar sewa at site of ram temple at Ayodhya and he started his Rath Yatra on 23rd Sep 1990.

He was supposed to reach Ayodhya on 30th Oct for puja. Thousands of RSS, BJP, VHP, BD volunteers started to move Ayodhya.

21st October : CM of UP Mulayam Singh Yadav said that "No bird vud be able to fly to Ayodhya"

23rd October : Advani was arrested by Bihar Police

on instruction of CM Lalu Prasad Yadav but Hindus keep approaching Ayodhya.

Mulayam Singh Yadav sealed all entries of Ayodhya and deputed 28,000 Police force.

Around 40,000 Hindus have surrounded Ayodhya and 1000 out of them tricked Police and entered into Ayodhya

Chapter 2 : Kothari Brothers

Ram Kothari (22 years) and Sharad Kothari (20 years) were two RSS volunteers and staunch Ram Bhakat from Kolkata. They were actively involved in ram janma bhoomi movement. They organized 100 meetings in WB for it.

They took multiple trains, buses and walked 200 KM and tricked Police and entered in Ayodhya

Chapter 3 : The Bhagwa Flag

On 30th Oct, Police completely barricaded 1.5 KM radius area of Ram Janma Bhoomi (Babri). Different troops of Hindus in leadership of

Mahant Nrityagopal das, Vinay Katihar, Ashok Singhal started to move towards Ram janma bhoomi from different site, They applied an unique strategy

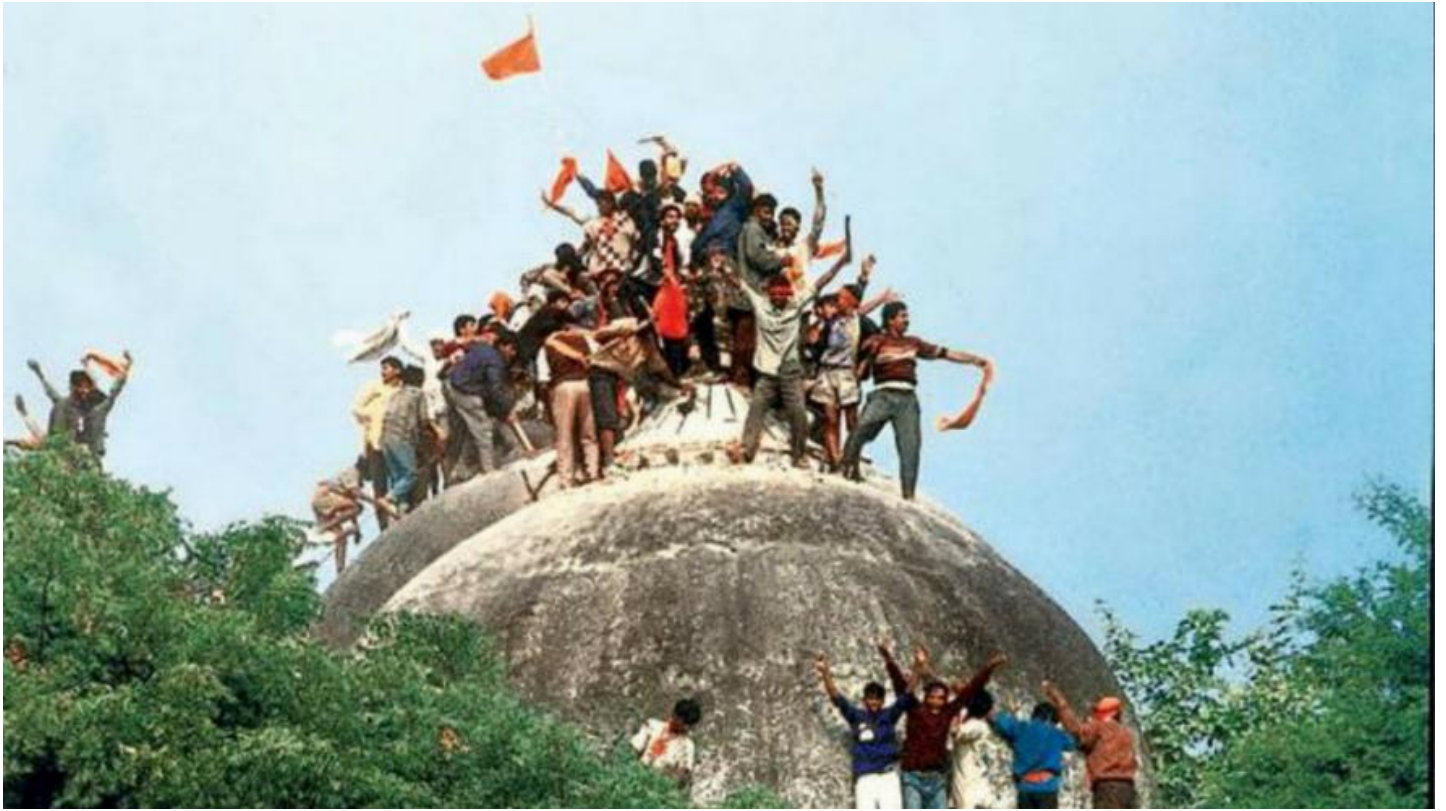

They were chanting Ram bhajan n they were touching feet of Police. As they touch feet of police, police step back n they move forward

Suddenly Police started Laathi charge and started to detain kar sevaks.

Around 11 Am in the morning, A sadhu controlled the bus of detained car sevaks n drove that bus towards site n broke all barricades. There were complete chaos situation and a troop led by Kothari brother

were able to reach Ram Janma bhumi site. Kothari bothers climbed on Babri and mounted the bhagwa flag.

Mulayam Singh Yadav arrogance had broken, he cud not stop Kar sewak, he ordered to fire on Kar sevaks n Police started to shoot them. Lot of Hindus were killed that day

Chapter 4 : 2nd November

Nothing happened on 1st Nov. On 2nd, Hindu gathered again to give condolence to died people n started to move towards site peacefully.

Police used tear gas and then laathi charge against them but they dint hit back and dint stop.

Suddenly what happened

probably Police received direct order from Mulayam n Police started to shoot each n every kar sevak Hindu.

Even Police didn't shoot on their leg but directly on their head. Streets of Ayodhya filled with blood of Hindus.

Police had completely became animal n dragging hindus from house n shooting them.

They shot one sadhu, dieing sadhu wrote "sita ram" from his blood on road. Police shot 7 bullets more in his head.

They were searching Kothari Bandhu n they got Sharad, they dragged him out n shoot.

Ram saw n run there n said to police don't shoot him, if u want to shoot then shoot me but Police didn't stop and shoot in head both brothers.

Official record says 50 person died, newspaper reported 500 but many believe 1000s of Hindu were died in Ayodhya firing by Mulayam Singh Yadav.

Lot of people died on Saryu bridge in stampede also. Police threw dead bodies in Saryu River.

Chapter 5 : Aftermath

After this VP Singh govt fell, media didn't report this incident except few local ones.

In 1991 Mulayam Singh lost election n BJP got full majority in UP n Kalyan Singh became CM. In April 1991, BJP carried asthi kalash yatra all india

that ignited Ram janmabhoomi movement.

In 2021 Yogi govt declared a road will be called on name of Kothari brothers.

Lot of people asks what changed after 2014 coz they dont know secular era of 90s

When u had freedom to kill 1000s of people on name of secularism

n to appease one vote bank.

When a group raped 500 girls in Ajmer but police didn't take action for one year coz it cud cause riots.

When u were free to do anything on name of secularism n Hindu leaders were untouchable n Hindu was most dangerous word in Indian politics

There r lot of pics available but they r so graphic so I cant post them

When Ram n Sharad were going to Ayodhya for then RSS said u both don't go together there then Sharad said "we r Ram and Lakshaman, we both will go together and will die together".
