10 amazing websites that can help you get 1000000000+ content ideas (instant bookmark):

If you are a creator, you might often get tired of thinking of new content ideas.

Here are some tools that make the work easy for you

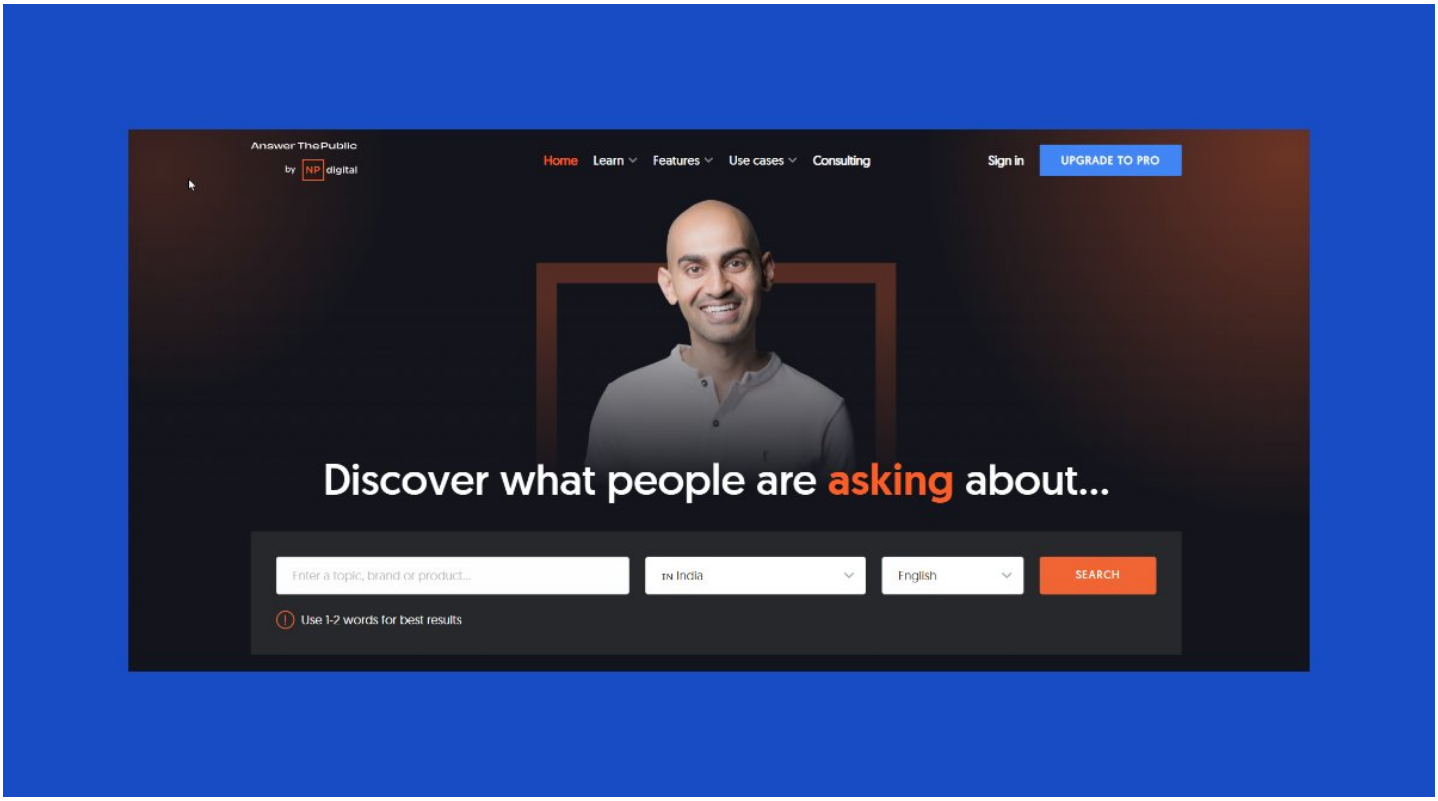

1. Content Ideas

Find the top-performing content on the internet in seconds.

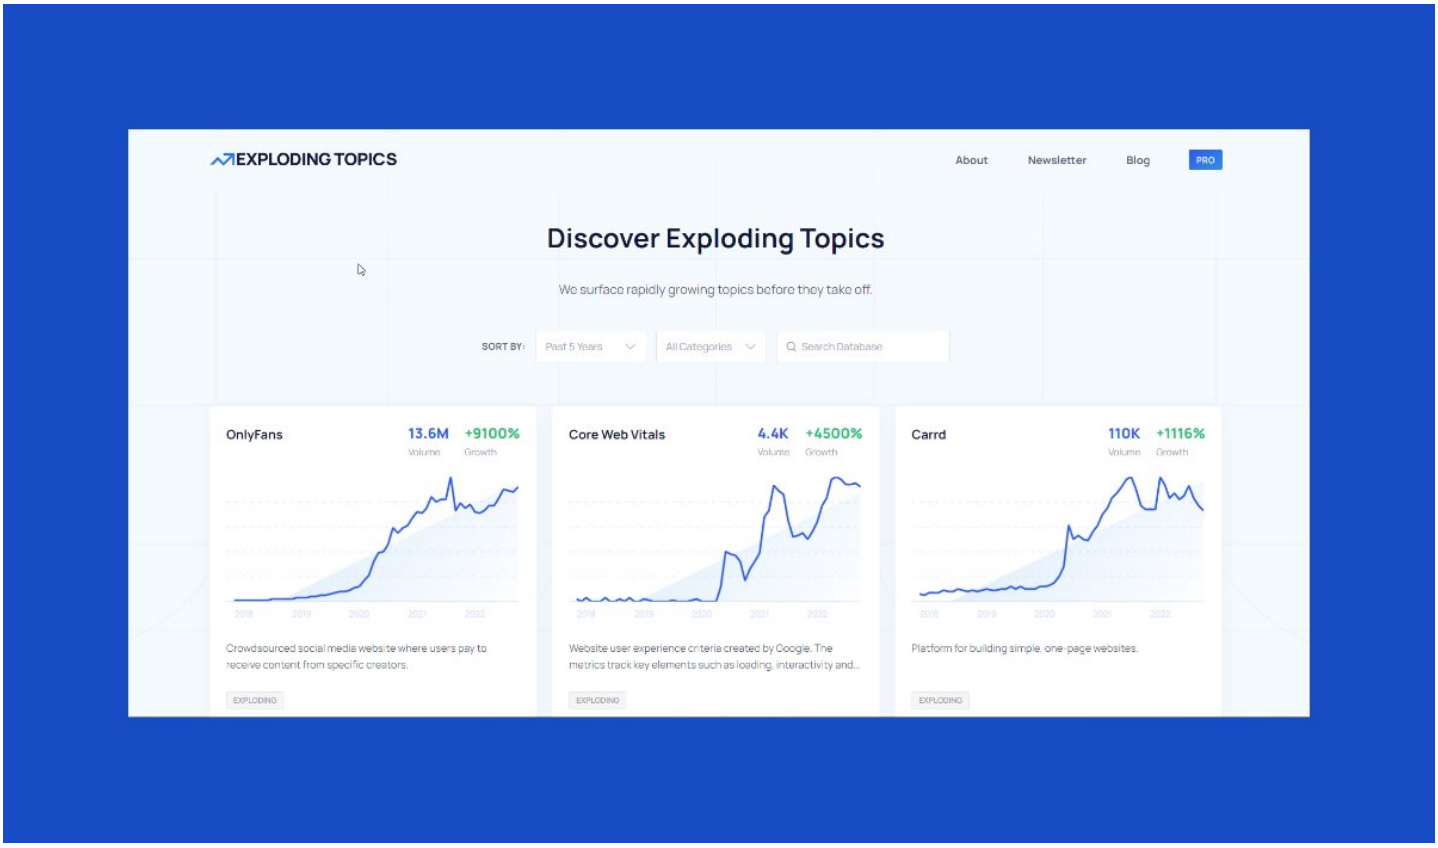

2. Answer the public

It gives you an idea of what people ask on social media sites and communities.

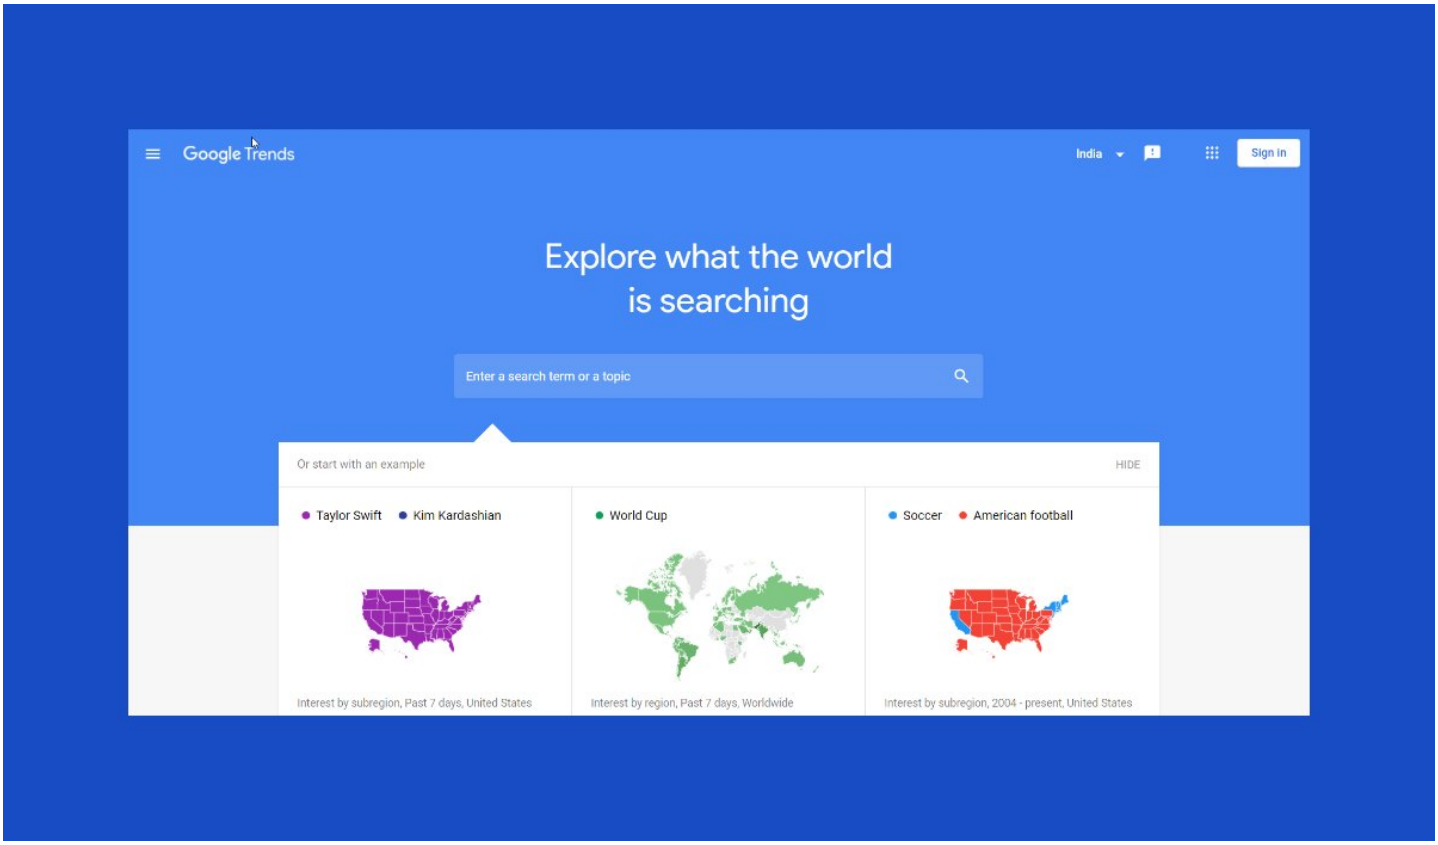

3. Exploding Topics

This tool gives you that raw data, with no interpretation or bias from someone else.

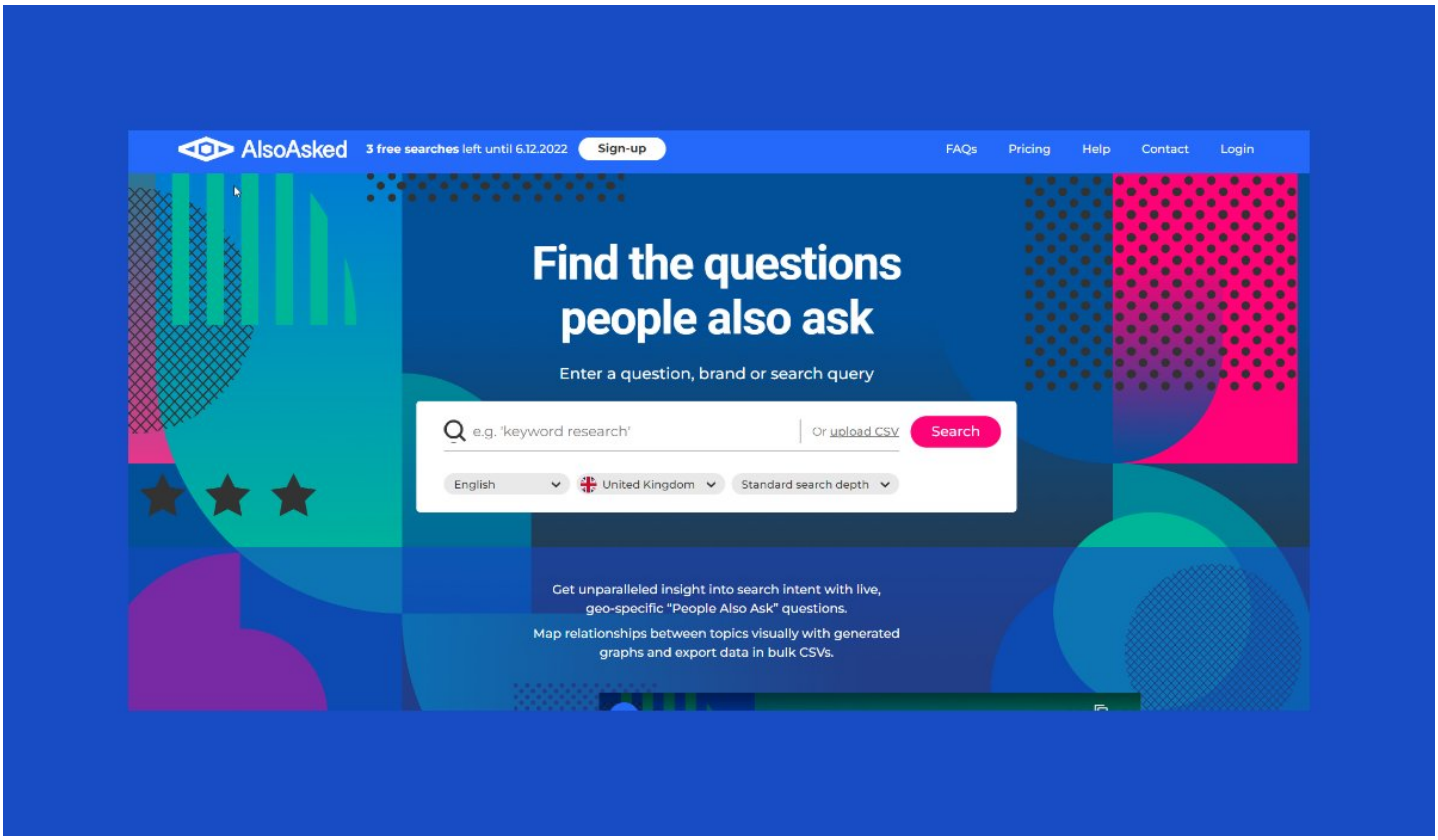

4. Google Trends

Get to know what's trending on google, and create your content accordingly.

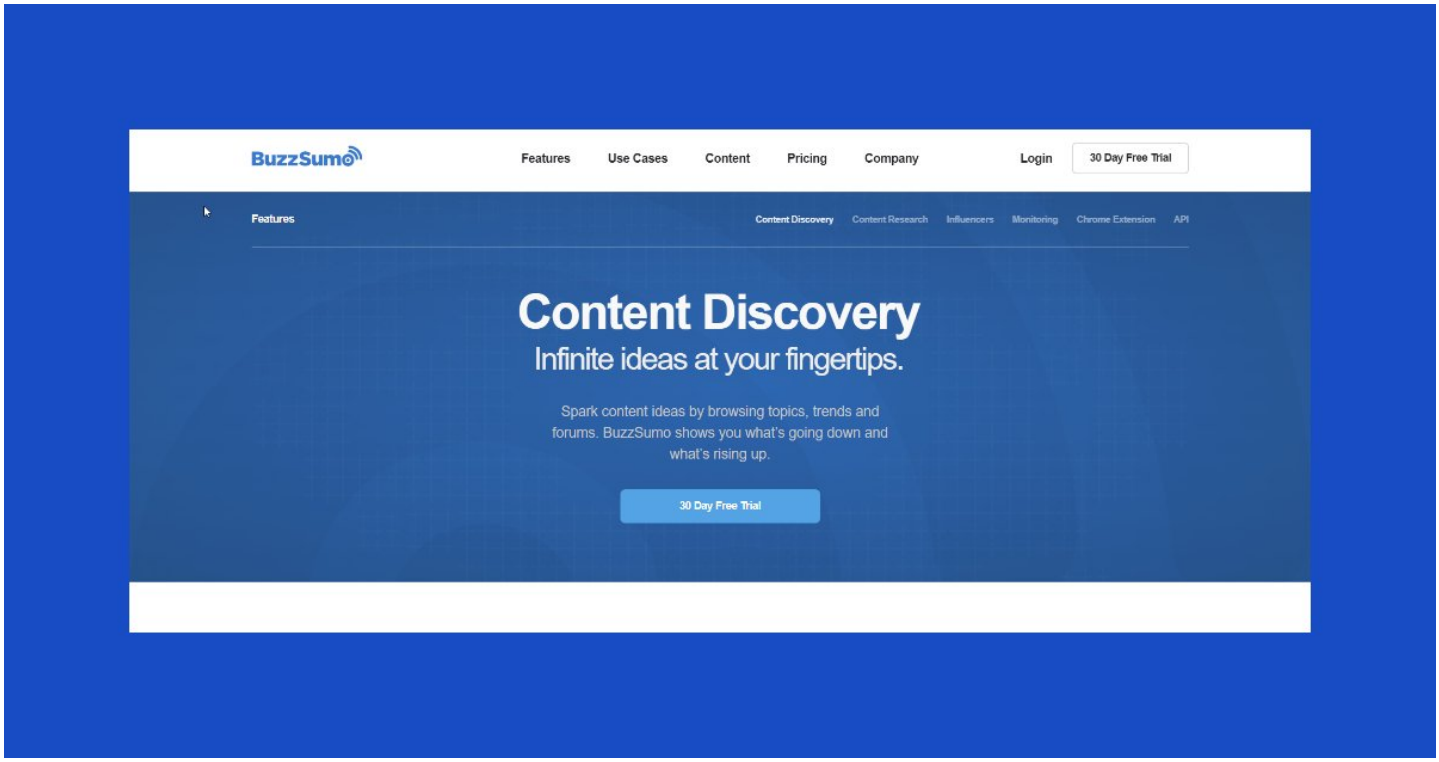

5. Also asked

It provides real-time questions related to the keywords you have typed in.

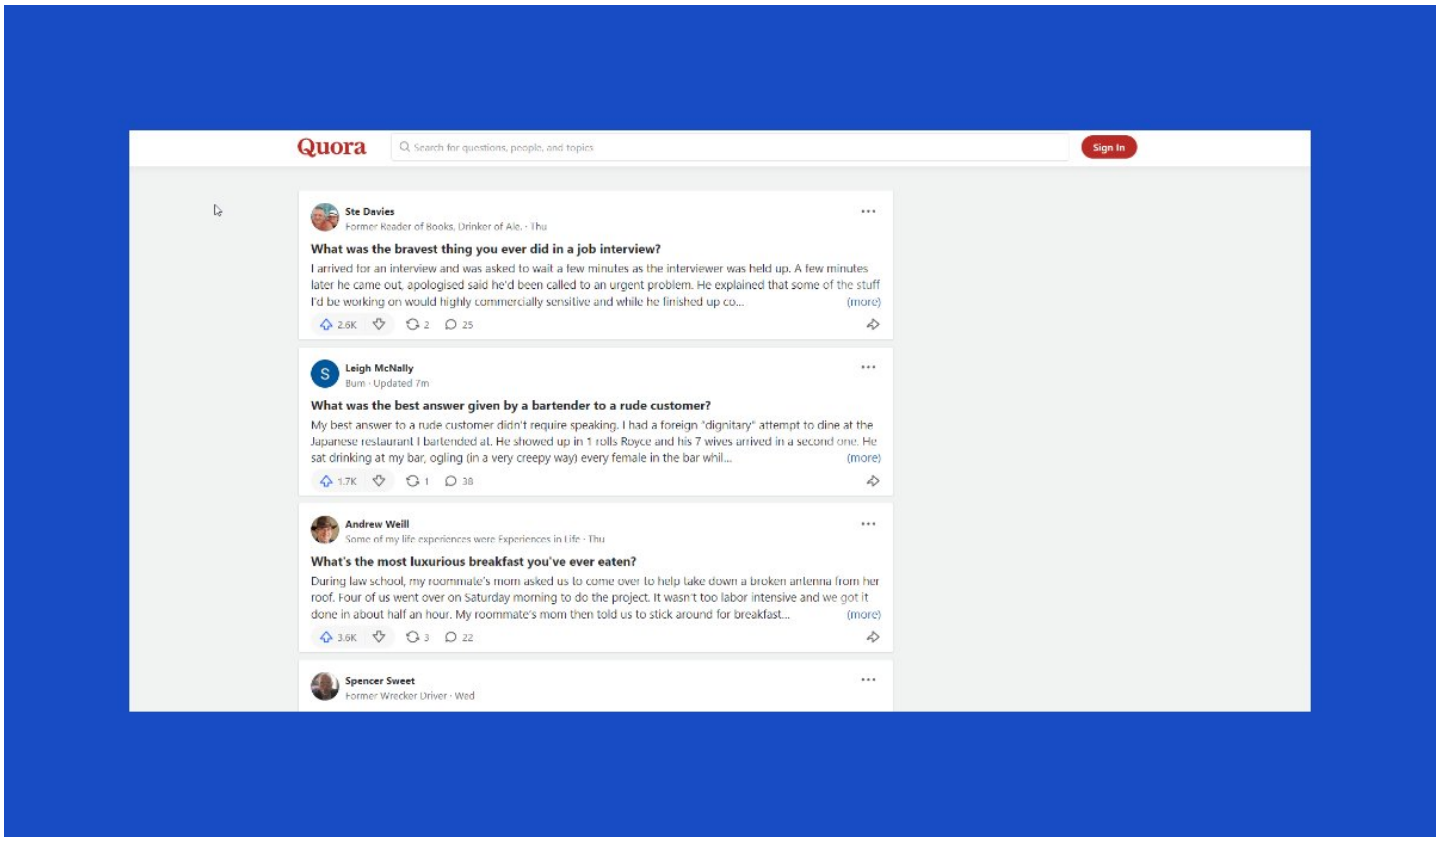

6. Buzzsumo Question Analyzer

The tool works by searching for questions and concerns raised by your target audiences related to the keyword you have entered.

7. Quora

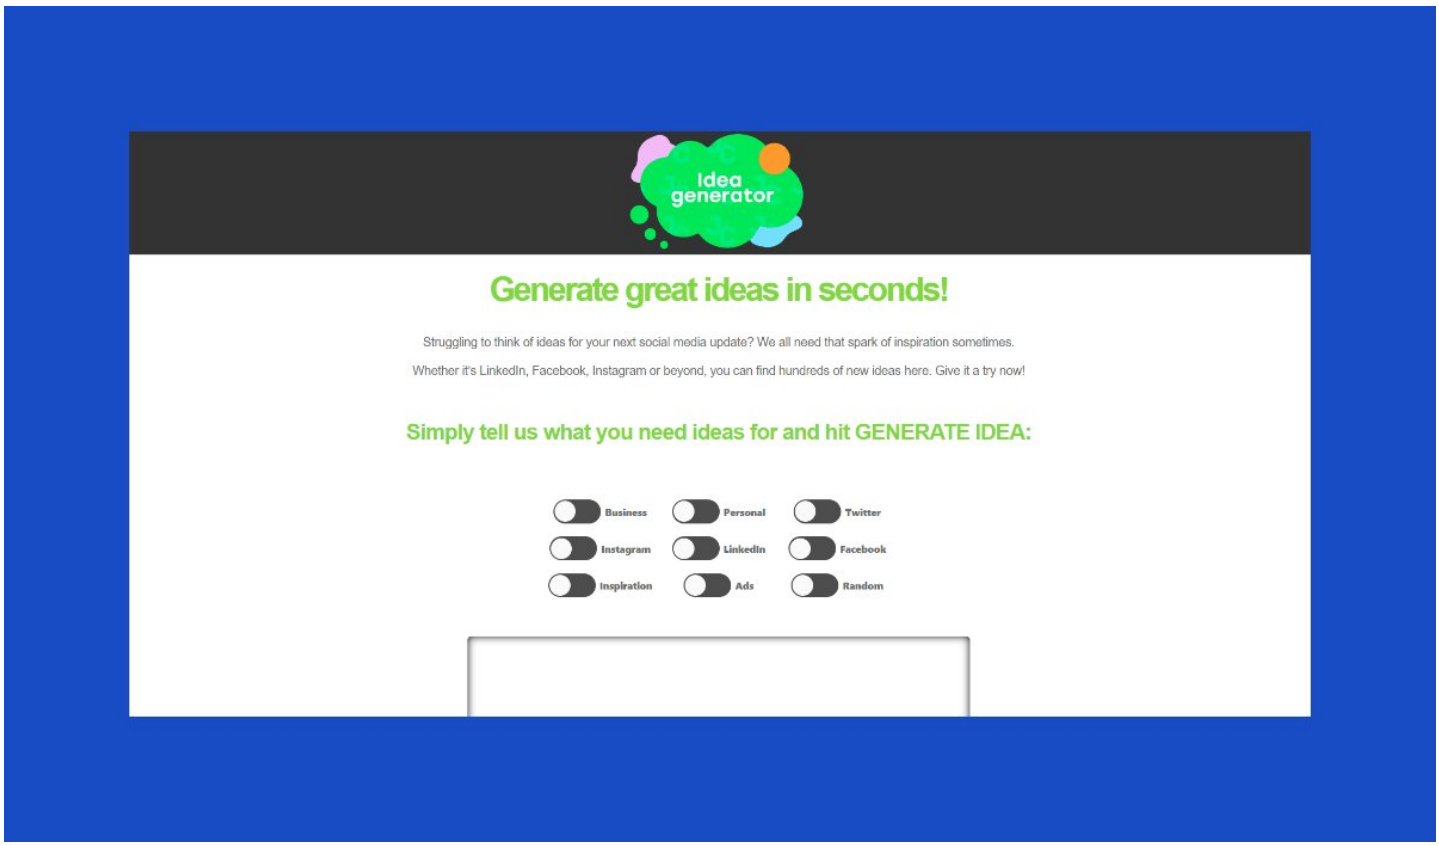

Get to know the problem your audience is facing and the questions they want to be answered.

8. JCsocialmedia

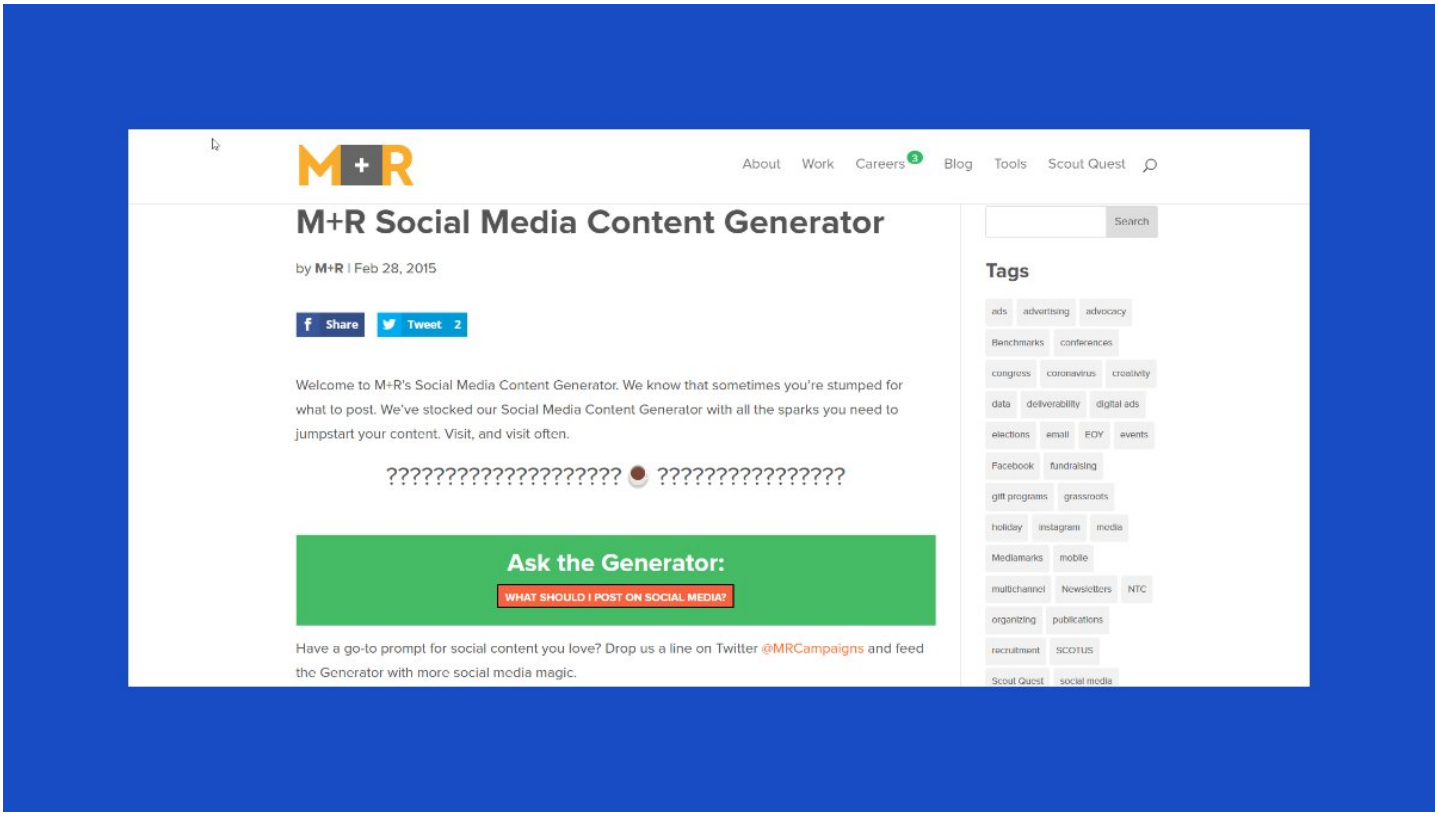

Try out the JCsocial social media post idea generator.

You can get content ideas for Facebook, Instagram, Twitter, and Linkedin.

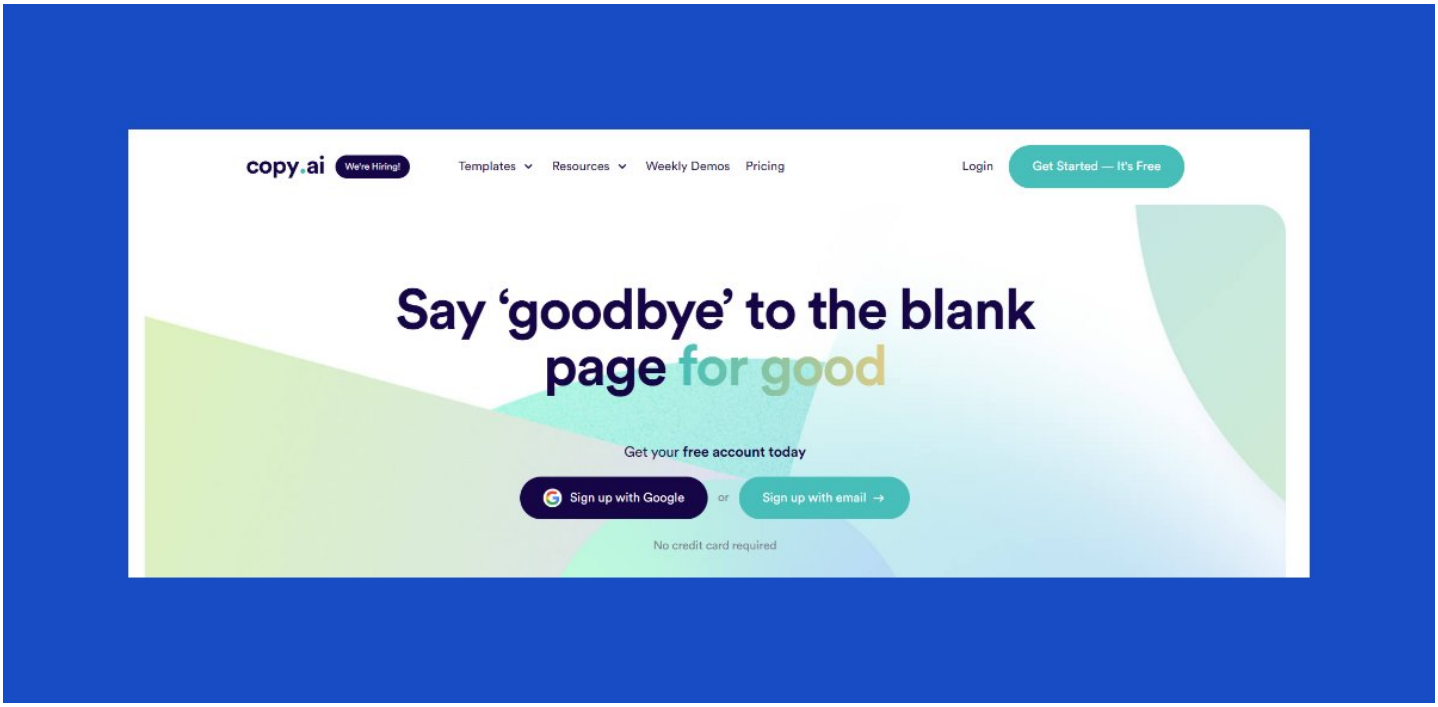

9. Mrss

A simple tool that can give you ample social media content ideas.

10. Copy AI

Copy AI is an AI writing assistant, but it can also help you get content ideas with its viral ideas generator.

11. Summary:

1. Content Ideas
2. Answer the public
3. Exploding Topics
4. Google Trends

5. Also Asked
6. Buzzsumo Question Analyzer
7. Quora
8. JCsocialmedia
9. Mrss
10. Copy AI

12. I hope you've found this thread helpful.
