Republicans' goal is to rush this vote so dramatically America and the media don't have time to realize CORROBORATING EVIDENCE isn't defined ANYTHING like Republicans say it is—and that the now four Kavanaugh accusers have ALL offered SUBSTANTIAL corroboration. Wake up, US media!

Republicans ALSO want to devise a NEW STANDARD never before applied in the history of the Supreme Court: that MULTIPLE PERJURIES by the nominee—CONFIRMED by BOTH testimonial AND documentary evidence—AREN'T an automatic disqualifier from confirmation. But they ARE. They're CRIMES.
