**"Right now we're in this Empire Strikes Back moment" says Initialized's Garry Tan, referring to ruthless tech giants. "We think the startups represent the Return Of The Jedi."**

Serena Williams' husband gets a lot of attention, but it's Garry Tan & the startup-tracking software he built that's fed Initialized deals for Coinbase, Instacart, and Patreon...and secured it a new \$225M 4th fund <https://t.co/ba87rWkle1>
