#SurgicalOnslaught by [@narendramodi](#) today, ripping the opposition apart, and the kind of data presented, without once referring to titbits, I've no regrets , that I not only voted for him, but did my little bit in 2014 & 19; I see people lamenting that we gave 303 , not for

2. Folding hands (this was a jibe against the PM), - just remember your individual votes , possibly increased the margin of a win in your constituency and as a whole you're not take credit for 303 given to BJP, it was collective effort; I've stated this before and I'm reiterating

3. it here, yet again - as the PM of the nation, he cannot act on whims and fancies. If you've not understood that, then you're still politically naive , and you've no clue as to how the government functions. Personally I feel at gut level, this extraordinary patience shown is to

4. Kill the cabal once for all. When I say that I also mean the judiciary perse, and these will happen. 60 odd years of dried up shit, cleaning it is not easy - one has to wade through the stench ,and ensure once cleaned, there's no residue. It's disheartening to note otherwise.

5. I for one don't take sides on a public platform , by exposing the non performing or piggy back riders - it's not on. I've faith and I'm willing to wait , for I've been patient enough to wait for change , it happened. Complete transformation in a diversified country such as

6. Ours , ain't easy; we know it, but refuse to concede it in public platform . Over a period of time ,our netas have given room to judiciary to override the executive and it's like a saree on thorns - the saree must be retrieved without damage. Similar are other situations too.

Let's do our bit , positively, and let's not take credit for giving him 303 and later more numbers - it's done because we have faith of delivery - what we refuse to accept is the truth , we want delivery on our time - then, governance is not Amazon or flip kart. #JaiHind .citizen
