**This is in reaction to the market decline, which was in reaction in part to higher interest rates.**

**It is also in direct opposition to WH statement on same subject earlier today that said the market drop was “probably a good thing” and a supposed “correction” to a “bull market.”**

BREAKING: Trump says Fed has gone crazy, is too tight [pic.twitter.com/WsZeqYpZN1](https://pic.twitter.com/WsZeqYpZN1)

Trump tries to have it both ways, but that’s not how it works.

That’s not how any of this works.
