Dear @Etsy,

Please for the love of God stop writing copy for me on my mobile device. All I want is the URL. I assure you most of your customers delete this text. Stop writing on my behalf when all I want is the link. ■ I sometimes do not share links from you because of this.

Really love what ChopLocalLLC is doing on [@Etsy](#) <https://etsy.me/35vcUP0>

Also, why are you not giving me an option for JUST the link? What is even going on over there [@Etsy](#)? JUST GIVE ME THE LINK. This makes for a terrible user experience ■

Help this small business grow by telling friends and family about it

I'm almost positive this is the effort of someone in marketing thinking "this way we'll make sure @Etsy gets tagged in posts!"

But c'mon- think about how much of a pain this is for folks who don't like to send messages that sound like I work on your marketing street team ■

LMAO WHY DO I HAVE THE OPTION TO TRANSLATE BUT NOT TO JUST GET THE FUCKING LINK OMG ■■ @Etsy  
I'm calling the app police ■■ so wild

This is absolutely insane @Etsy. Fix this. Why????? ENOUGH

DID U KNOW U CAN OPEN UP AN @Etsy LINK INTO @LastPass??? OF COURSE YOU DON'T- CUZ IT DOESN'T EVEN WORK. ■■■■■■■■■■

YO @Etsy FIX YOUR ANDROID APP, I JUST NEED LINKS.

I will never understand these type "growth" hacks ■ They literally do the opposite, and make me want to delete the app. C'mon @Etsy- I do not need you to ever be writing copy for me.

Also, I find it so bizarre to write copy like this and assume I'm sharing it because I "LOVE" it or think it's "AWESOME".

What if you're sharing like, idk- a casket?? Or an URN?? ■■■■■■ @Etsy make it stop. ■■■■
