2+ this is from 2018. By 2020 it was about 12,000 crores to Polavaram of which CBN's friend Rayapati Sambasiva Rao scammed 8000 crores. but we find fault with Modi.

3+ subset of colleges / univesities which were grnated AND ACTUALLY STARTED WORKING.

though to get into would require some IQ which Sudhamadhuri doesn't have.

5+ diyar @sudhamadhurii i know you cant understand english or telugu but just letting you know.. this is ONLY till 2018. Starting with NHAI projects now..

6+ NHAI completed projects. not in works. COMPLETED. a word which CMs of AP have never heard or used.

7+ 1400 KMs completed at cost of approx 16000 crores.

BUT GoI did not give anything.

8+ these works are starting.

unlike @NCBN or @ysjagan govts these projects will actually be COMPLETED.

9/9. 16000 crores worth 1400 kms projects COMPELTED.

7500 crores worth 850 kms SANCTIONED.

Just road works.

There is separate sanctioned works for SAGARMALA, HOUSES and RAILWAYS. Do you want those details too??

anyone who says Modi cheated AP should get kick on behind.
