**The number 5 is a very important number. It is the number of the Pentacle and the Quintessence (Chi, Ether, Prana). 5 is the Number of the Center as can be shown by the Ancient Chinese Lo Shu Magic Square. The Ancient Scientists divided the Precession Cycle into 5 Stages.**

The Stage that started at 3117 BC was the last Phase before a new Golden Age would start.

It was the 5th Age of the Precession.

The combination of the Precession Cycle & the Pentacle shows Five Points of Intersection making an angle of 144 Degrees.

The intersection with the Bull is related to the Great Deluge.

The next Big One, The 7 Seals of the 'Apocalypse', will happen in our Time when the Precession Cycle moves into Aquila, the Sign of John the Evangelist who wrote the Revelations.

"And I looked, and, lo, a Lamb stood on the mount Zion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads" (Revelation 14:1)

"And they sung as it were a new song before the throne, and before the beasts, and the elders: and no man could learn that song but the hundred and forty four thousand, which were redeemed from the earth" (Revelation 14:3)

3117 BC was the start of our Human Civilization.

It was the time of the Establishment of the Old Kingdom, the first Writing in Sumeria, and the first Stellar Observation Systems.

The Hindu Kali Yuga ('The Dark Age') begins at this time as well.

The Kali-Yuga is the Darkest Age of the 5 Stages of the Precession. It is the Stage in which the Humans are at a Maximum Distance from their Creator.

It is the Age of the Falcon Tribe, of Conflicts, Power Plays, a Religious System controlled by the Elite, Sexual Abuse of Women & Children, Extreme Violence, War, Manipulation of the Masses & the Destruction of Mother Earth.

It is the Age of the God of Revenge who lost every contact with the God of Love.

The End of the Mayan Calendar & the End of Indian Kali-Yuga will be a Very Special Time, a Rare Conjunction of Many Short Term and Long term Cycles.

The Cycles of the Anunnaki are there to keep us trapped in the Matrix.

The New Beginning of the Golden Age will give Us the Opportunity to Leave the Wheel of Fortune to connect with the Power that is behind the Veil, the Void.

This is possible because the new Golden Age will be a very Special Golden Age. It will be the Age of the 7th Seal of the Zodiac, Aquarius & the Opening of the Trumpet of the 7th Chakra, the Pineal Gland, the Third Eye of Horus. ■

The Expansion of Space & therefore the Expansion of the Spiral of Time has finished.

We are now, for the first time in the Cycle of Creation of our Universe on our Way Back to the Creator Consciousness, that was so far away when the Age of Darkness started.
