Directional Arrow of Progress

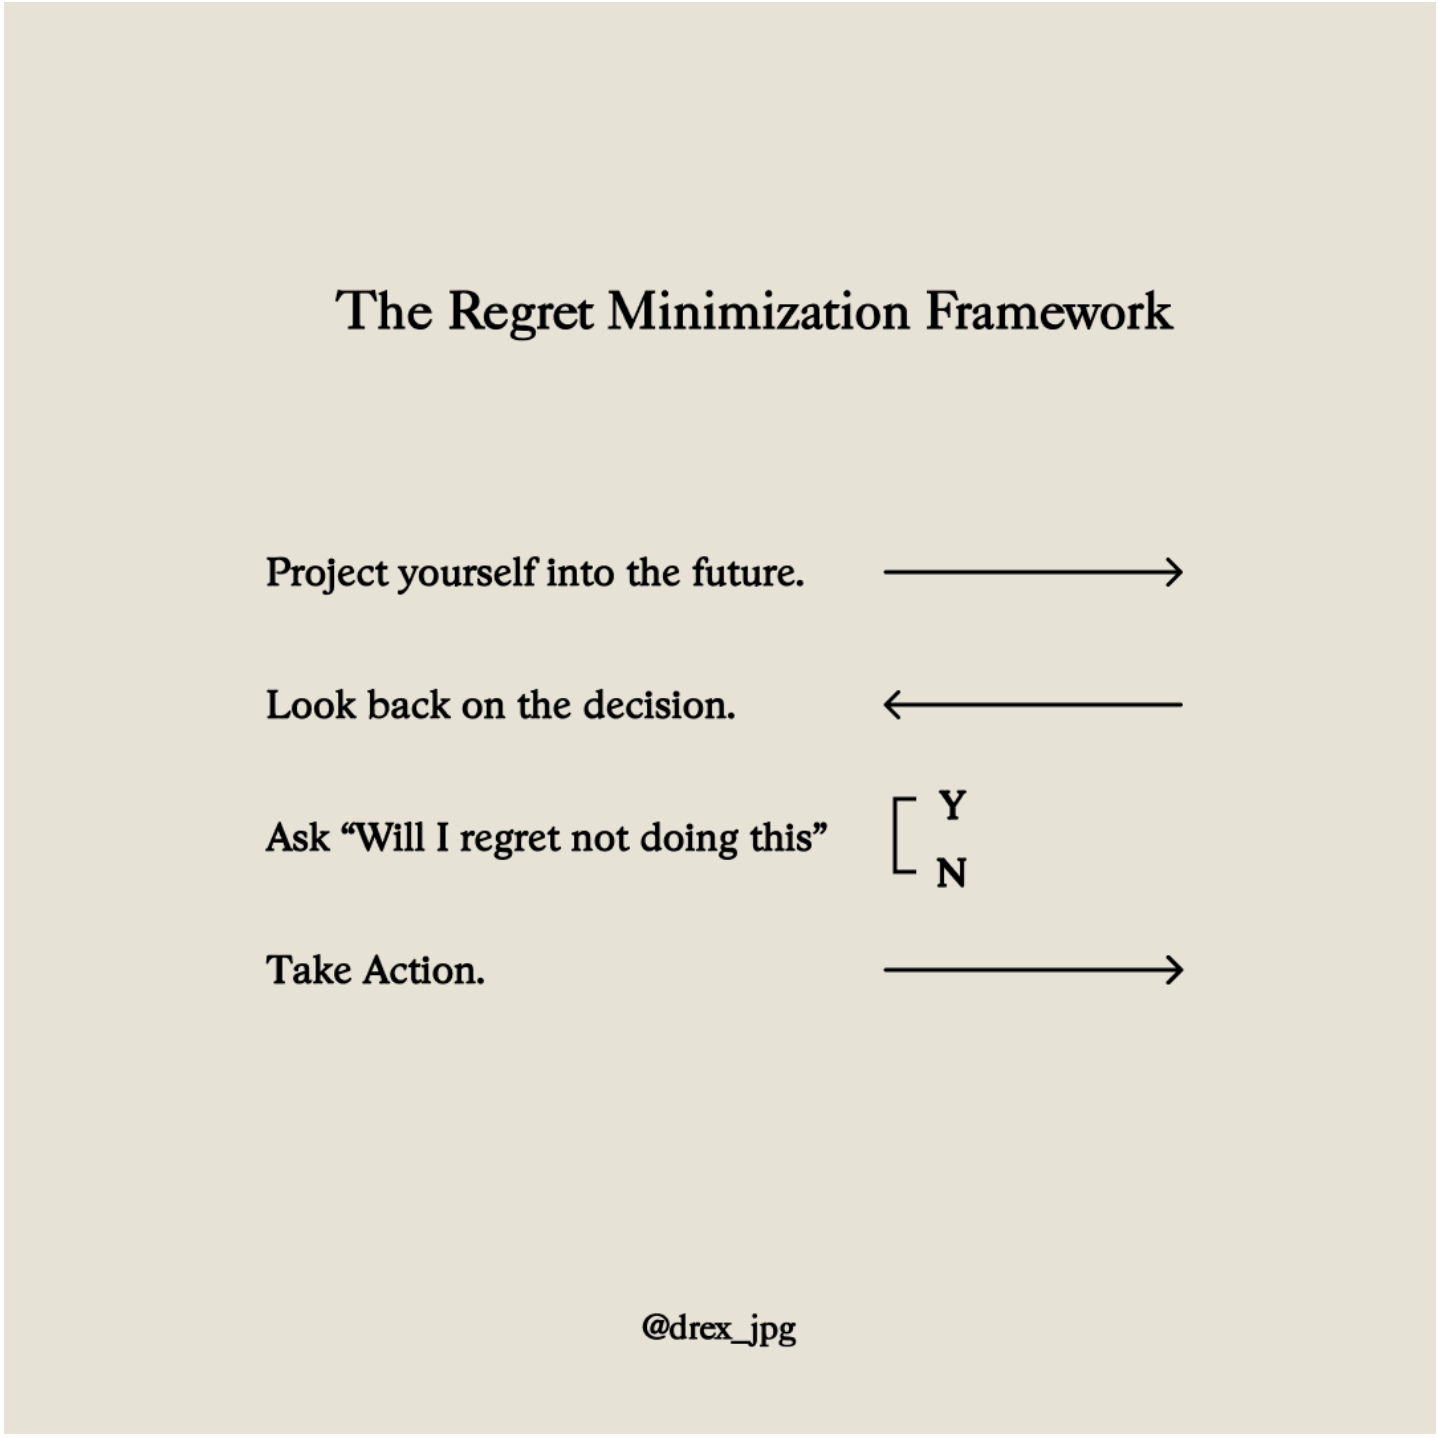

The future is extremely difficult
to predict—but there are clues.

Pygmalion Effect

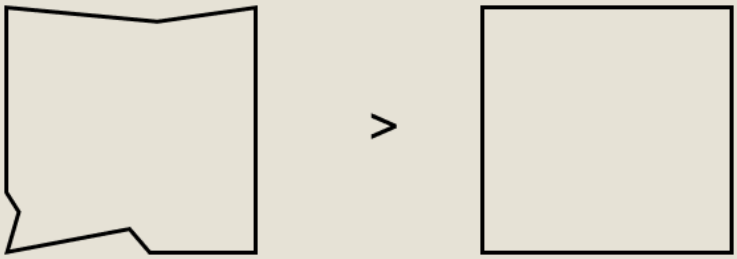

If you consistently see people as their highest potential, they will achieve more.

The Taleb "Look the Part" Framework

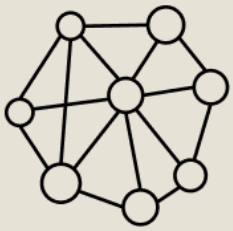

If forced to choose between two options of seemingly equal merit, choose the one that doesn't look the part.

@drex_jpg

Decentralized Friend Groups

Centralized Friend Groups

one cluster of friends with shared backgrounds and beliefs.

Decentralized Friend Groups

small clusters of friends unconnected to each other.

When in doubt, opt for decentralized friend groups.

The Bragging Framework

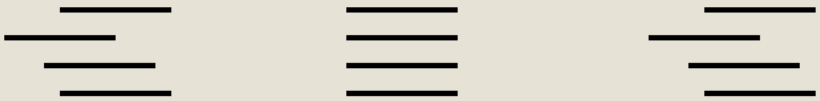

Truly successful people rarely feel
the need to boast about their success.

https://t.co/1cwg1EuDgr

The Naval Lion Framework

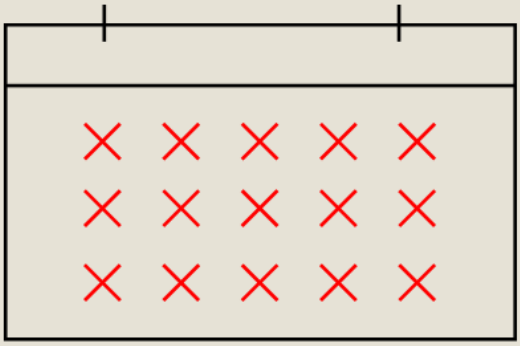

To do truly great, creative work, you have to be a lion.

Sprint when inspired. Rest. Repeat.

The Seinfeld Calendar Framework

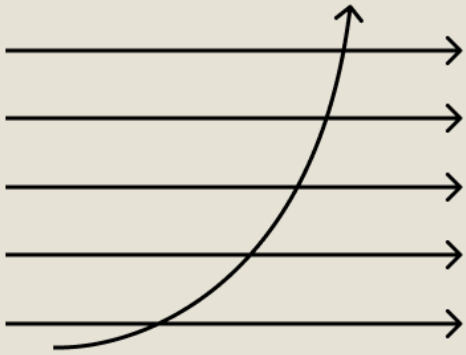

He would hang a huge calendar on the wall and use a red marker to put an X over every day that he completed his daily writing habit.

Consistency over quality.

Play to Learn

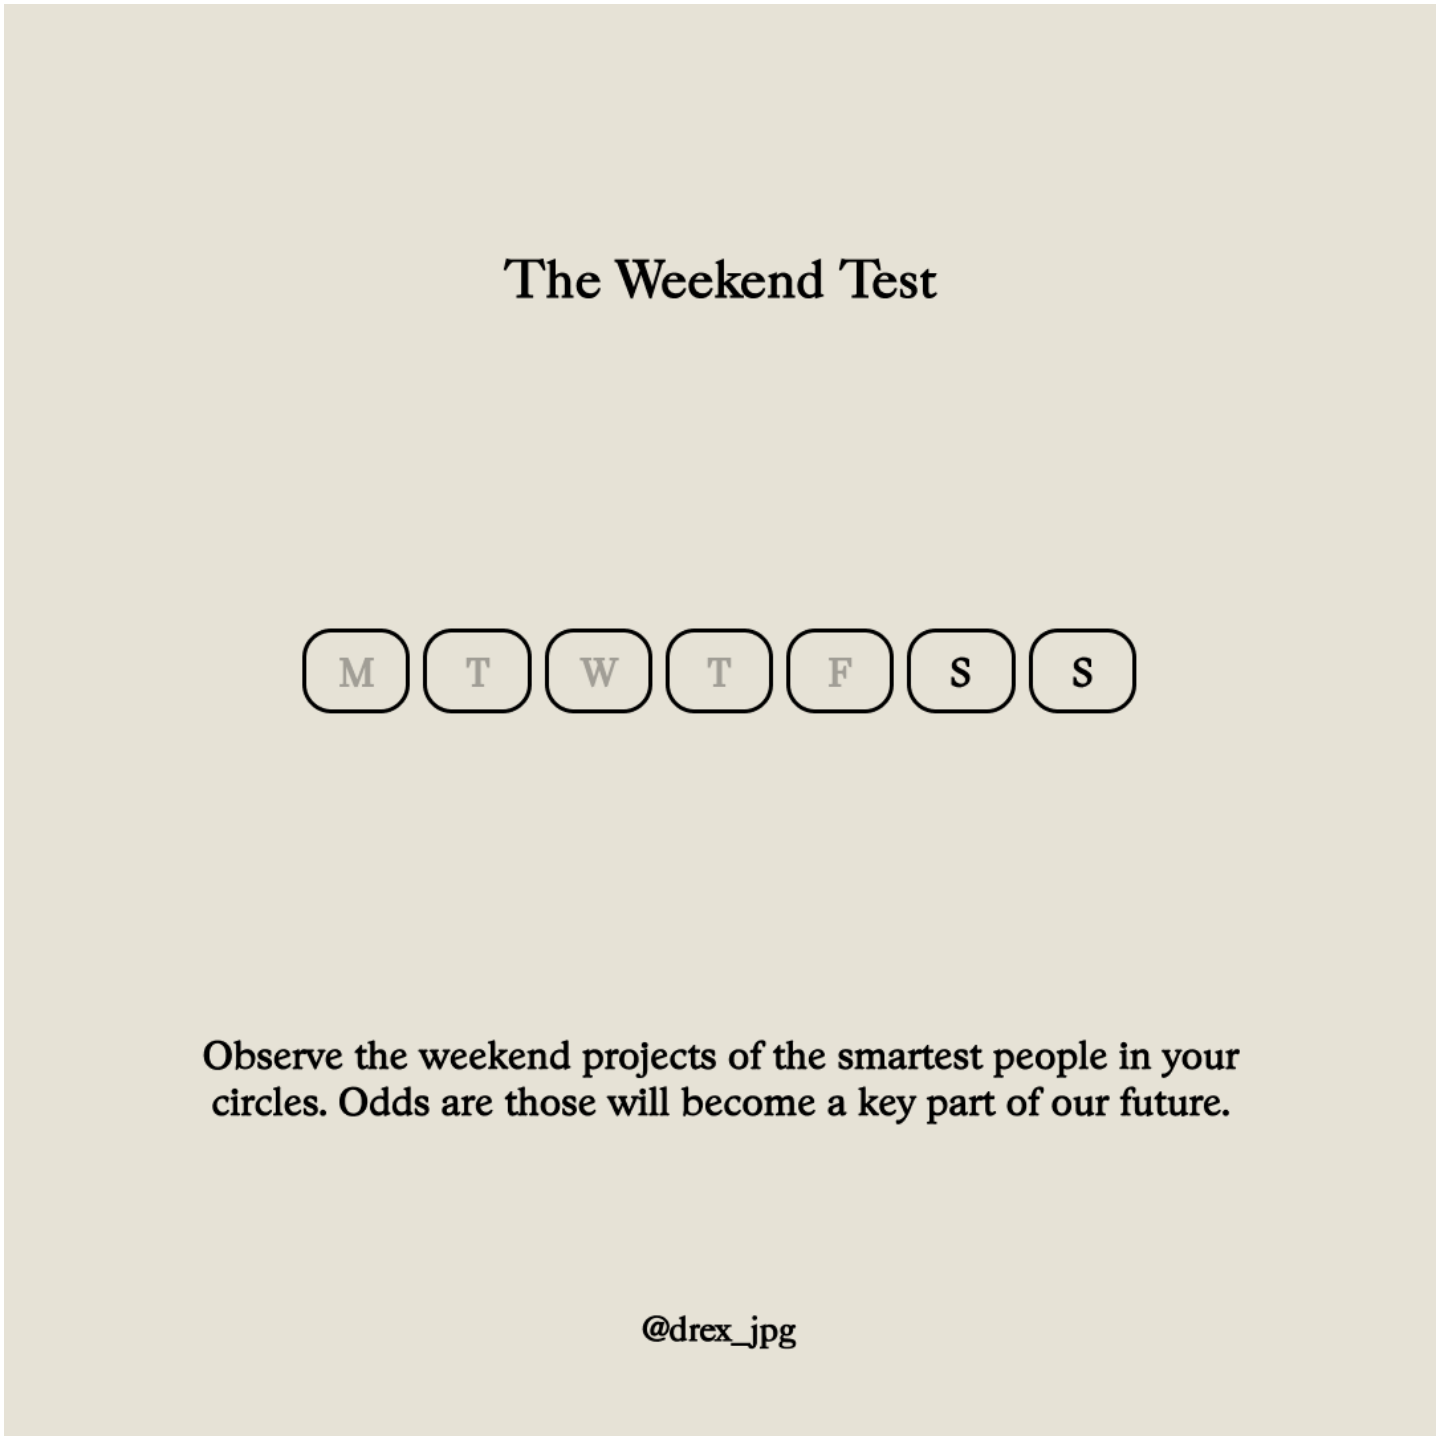

Old Way: Learn to Play
New Way: Play to Learn

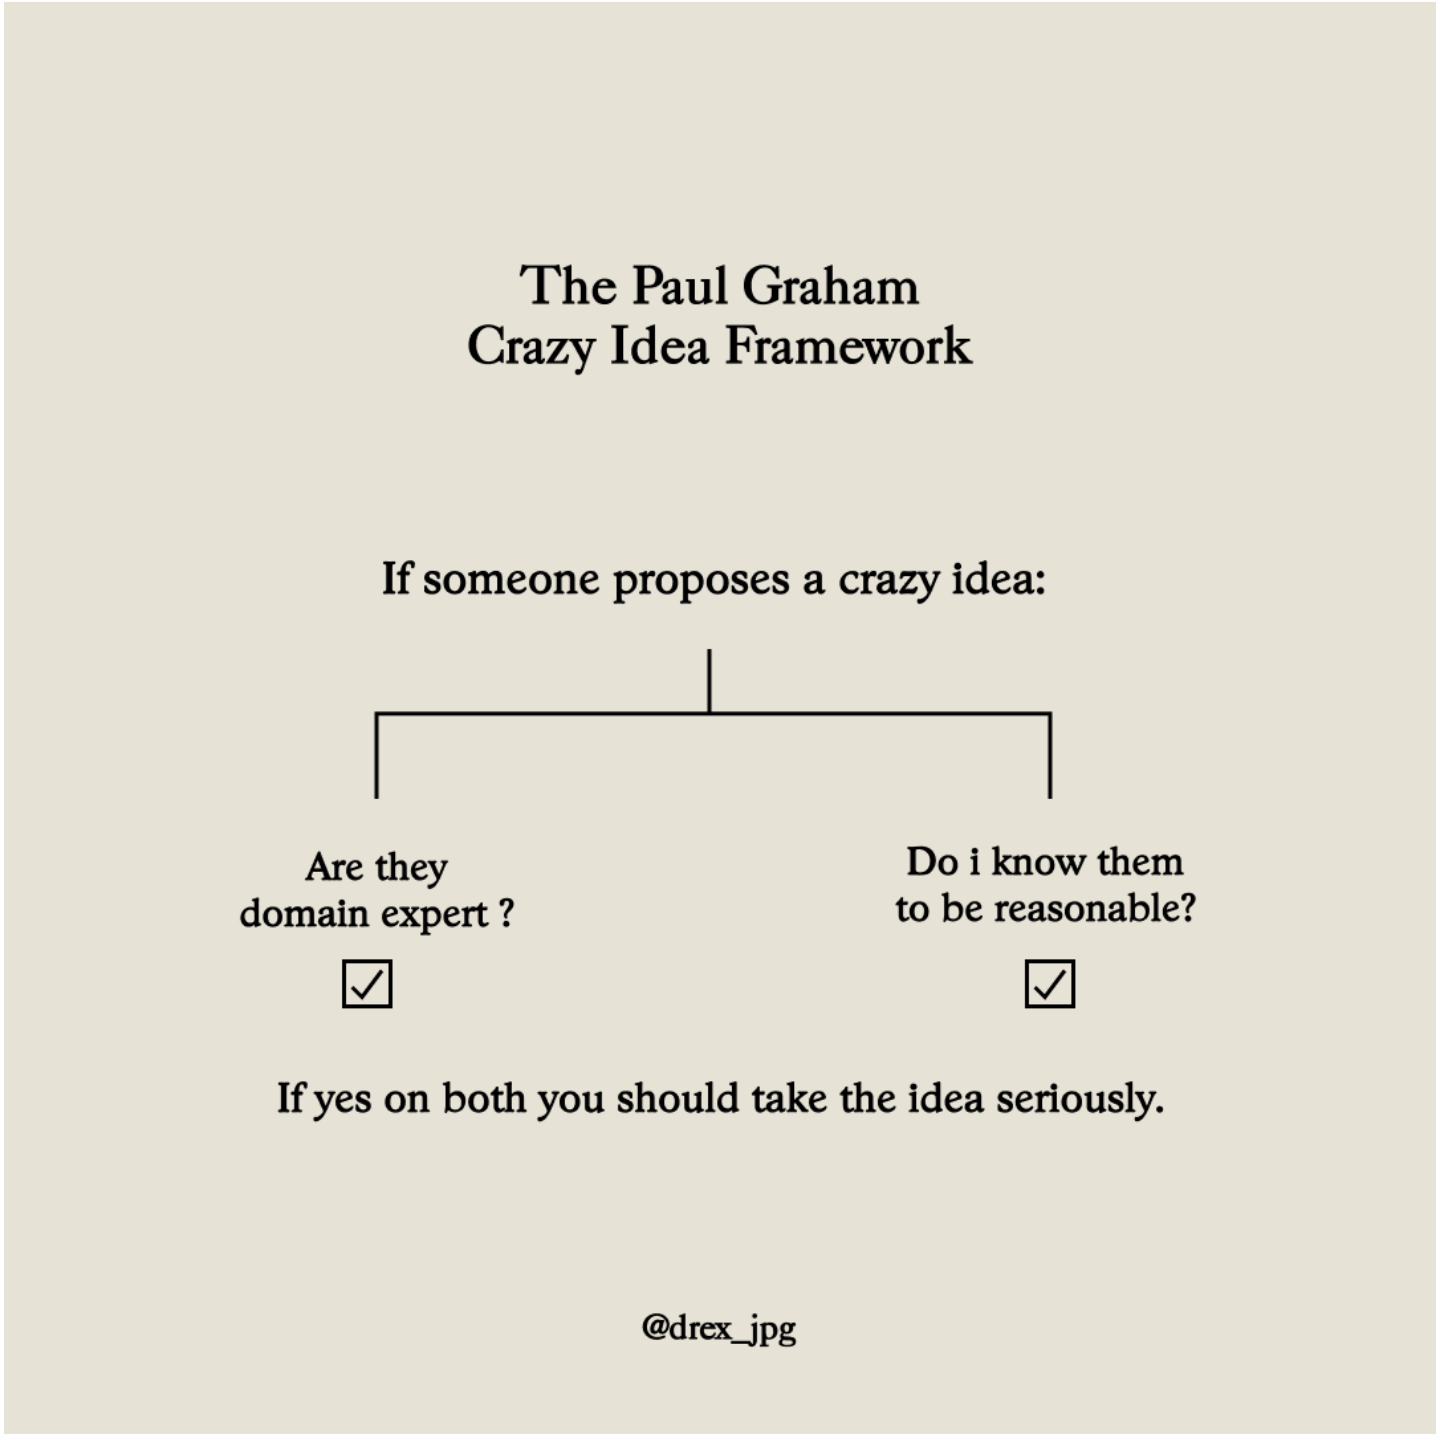

If you're trying to learn anything
new, insert yourself into the game.

The Duck Test

If it looks like a duck, swims like a duck,
and quacks like a duck, it's probably a duck.

@drex_jpg

Newton's Flaming Laser Sword

If something cannot be settled by experiment
or observation, it is not worth debating.

"What Will Stay the Same?" Framework

The future is hard to predict, so looking for constants you can deliver against may provide a cleaner path to success.
