The four stages of a Trend as per Stan Weinstein.

 Nitin Shukla

1. Stage 1—Neglect phase: consolidation
2. Stage 2—Advancing phase: accumulation
3. Stage 3—Topping phase: distribution
4. Stage 4—Declining phase: capitulation

The four stages of a Trend as per Stan Weinstein.

Read in details in his book "Secrets For Profiting in Bull and Bear Markets"

It helped me immensely.
