Former CEO and future former Chairman of ATT Randall Stephenson fun facts:
>>was chairman of Boy Scouts of America
>>was mentored by Carlos Slim
>>subsequently promoted to CFO of “southwestern bell company” (former name of ATT)
>>quickly resolved $30B in debt
>>is on CFR

And he worked for Bush telecoms ? Damn. This is a jackpot

I’m guessing This explosion wasn’t just some explosion

Moar ATT

https://t.co/q0XdsZZdhL

Name any major global bank
They likely have stock in AT&T

This might just be a strange coincidence...but

The ATT building in Nashville that was blown up today was owned by Cerebus Capital. Owners of Dominion Voting Systems,(the company many people are accusing of voter fraud) are former executives from Cerebus.
