#cdsl has been a great compounder with a simple RS strategy.

1000 was clearly evident as discussed 2 months ago in #StockEdgeClub

The screenshot shows a Twitter thread by Vivek Bajaj (@vivekbajaj) from 2 months ago. The main tweet discusses the stock **\$Central Depository Services (India) Ltd.** and includes two technical analysis charts. The first chart is a long-term view showing an upward trend with a red line indicating a resistance level. The second chart is a shorter-term view showing a recent price movement. Below the charts, there are icons for liking, starring, and sharing, followed by the text "amresh, VikkrantShah and 5 others liked". A reply from the same user is visible at the bottom, stating "I see this stk crossing 1000" with 1 like.
