CDSL - Learning.... ■■

I believe 5-10 stocks are enough for a retail investor to achieve super performance. And with small capital, there is no point in buying 20/30 names which doesn't even get appropriate initial capital.

Stock: CDSL

CMP - 516.95. Low risk setup. Weak below 500. Target open. Stock retesting the ascending triangle BO line. Kindly check please. <a href="mailto:@nishkumar1977">@nishkumar1977</a> <a href="mailto:@Rishikesh\_ADX">@Rishikesh\_ADX</a> <a href="mailto:@VijayThk">@VijayThk</a> <a href="mailto:@kuttrapali">@kuttrapali</a> <a href="mailto:@PAVLeader">@PAVLeader</a> <a href="mailto:pic.twitter.com/PlcpOMsdnz">pic.twitter.com/PlcpOMsdnz</a>
