STOP wasting time on Partisan Impeachment Articles!

The 1 Charge you MUST make is criminal, indisputable & the language ensures a Senate conviction.

18 U.S.C. § 2384-Seditious Conspiracy

<https://t.co/y5mxqnJtyr>

If two or more persons in any State or Territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both.

(June 25, 1948, ch. 645, [62 Stat. 808](#); July 24, 1956, ch. 678, § 1, [70 Stat. 623](#); Pub. L. 103-322, title XXXIII, § 330016(1)(N), Sept. 13, 1994, [108 Stat. 2148](#).)

The text GUARANTEES UNANIMOUS Senate Conviction; b/c to dispute the FACTS that the building was taken, that doing so prevented Congressional business & that Trump's Rally was planned, timed, named & executed to achieve this end is to dispute provable (captured on tape) "reality".

Facts of Language.... Again.. nothing about words used in ANY Speech; but rather words used in its planning & execution:

<https://t.co/lyDmc5WLww>

This is INDISPUTABLE evidence that shows the conspiracy and the plan and is laid out in written materials and audio robocalls.

<https://t.co/tmX6zk9U3o>

Again without using ANY of the "words" used in speeches by traitors that day, this EVIDENCE ALONE proves "Seditious Conspiracy".

Notice the "fight to StopTheSteal" language used on the Rally's website.

INDISPUTABLE!

Note that openly seditious Texas Attorney General Ken Paxton (who should be indicted on this charge) lets you know what he & others are planning, when & why!

Let's note a few things about Paxton.

Let's check this thread. In it, you'll find DOZENS of Republican State & National twitter accounts promoting not only the event; but others in States, meanwhile these 17 Seditious AG's violated their Oaths & signed their names to Trump's SCOTUS lawsuit.

.@RepublicanAGs: Are you just straight up LYING to reporters?

How can you say RAGA/RLDF had no involvement in the rally turned deadly attack on the Capitol, when you were listed as a sponsor & paid for a robocall telling "patriots" to march to Capitol to "continue the fight"?

About the 1st signatory in that seditious lawsuit; liar, conspirator & neck deep in this #Alabama Attorney General, "I'm shocked, SHOCKED to find that gambling is going on in here!" & if justice exists, soon to be inmate Steve Marshall.

Caught red-handed!

<https://t.co/0KQPNNEYZ6>

There is much more; but THIS ALONE is MORE THAN ENOUGH evidence to prove "Seditious Conspiracy" in ANY Court of Law!

You don't need ANY Witnesses!

You don't need ANYTHING except the planning materials & Public Statements texts made by the Conspirators BEFORE the event.

#Impeach

I can't emphasize enough what kind of a fight you'll have attempting to play the GOP's corrupt game by attacking the speeches & thus opening the door to their seditious arguments & re-litigating the election

Prosecute the guilty LATER!

This path GUARANTEES #Impeachment success!
