10 Most Impactful Books Of My Life

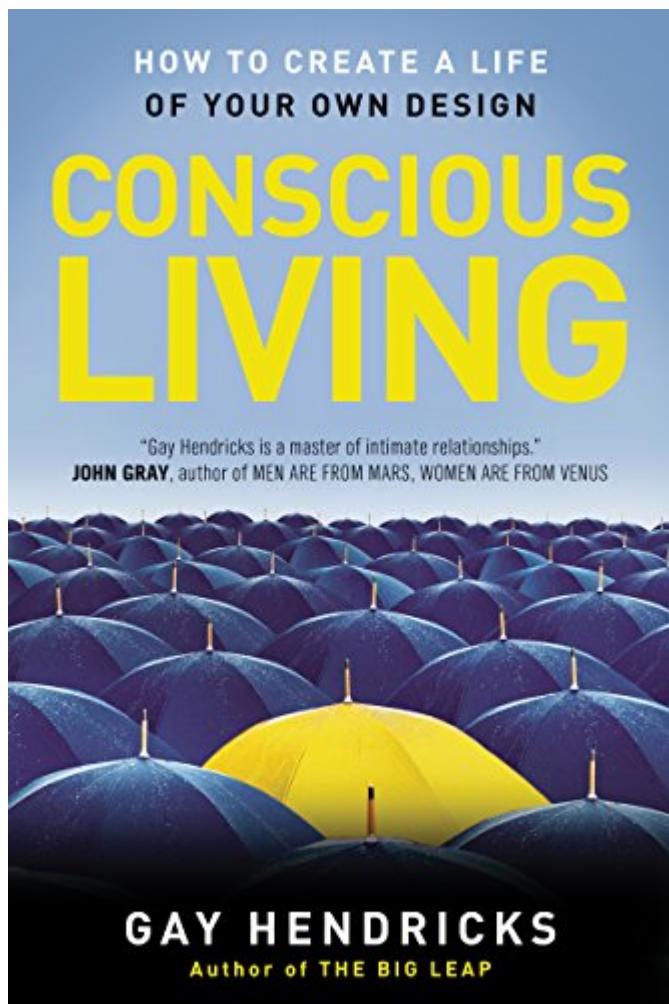

1. Love Yourself Like Your Life Depends On It by [@kamalravikant](#)

Kamal is honest, open, and authentic. But what I love most about this book is that it actually works.

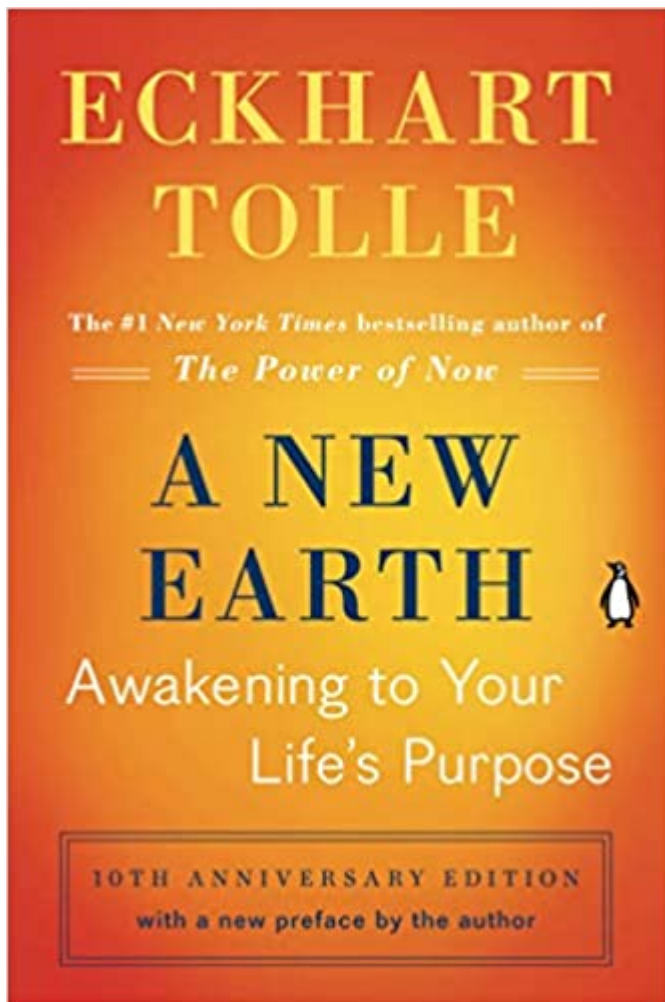

2. Conscious Living by [@GayHendricks](#)

My life changed dramatically from August 2019 to August 2020. This book helps explain why: I started to follow the principles in this book without even realizing it.

3. A New Earth: Awakening To Your Life's Purpose by [@EckhartTolle](#)

Recommended to me by an Uber driver in October 2019. Couldn't put it down. The first "spiritual" book that clicked for me.

4. Resilience by [@EricGreitens](#)

Incredible writing, timeless lessons, historical examples. I can't remember the last time I annotated this much in a book. Wisdom from so many different sources. Highly, highly recommended.
