I'll not leave Riddlersworld. But I'll redefine the notion of riddler. A riddler is a person who doesn't know about specific dates and even about dates in general such as the year things will happen. He only knows, in general, some of the events that will take place,... 1/*

a kind of general history, a plot. In this sense continuing in Riddlersworld goes through an approach of minimums, taking riddlers as what gives an outline of some of the events that could happen at an always unknown date. 2/*

Sure, riddlers intend to convey the idea that they do know the dates, or at least the year, but they don’t know them. 3/*

ACTION PLAN B BEGINS - THIS IS WHAT MANY HAVE BEEN WAITING FOR

DATES CANNOT BE REVEALED AS IT WILL RESULT IN A SHIFT

WE ARE +VERY+ CLOSE TO CONCLUDING THIS MUTLI DECADE TRANSITION PROCESS BUT PLEASE BE PATIENT

TRANSITION WILL COME IN MULTIPLE PHASES FEW OF WHICH WILL HAVE AN IMPACT ON THE FINANCIAL SECTOR, FOCUSING ON SETTLEMENTS, POOL MULTI CURRENCY CONVERSIONS AND EMERGENCE OF NEW 'BEHIND THE SCENE' SERVICES

Take 2020 as an example. At this point of the year you can make so many ad hoc statements as you like, but guys, 2020 clearly meant year 2020. 2020 was the year of the visible "outcomes". 4/*

NEXT YEAR

On November 4, 2019 Mr Pool suggested that outcome of action Plan B is what you have been waiting = price increase. It should have happened in November and December 2020, as Plan B ended on November 7, so the outcome should be those months. 5/*

IT has already started. 11/3 (DOUBLE+) - It will all become visible shortly.*f REMEMBER - you are prepared for wh*atever is about to happen. I wish I (we) were al*lowed to *say more, BUT each of us has a purpose with a common goal. We warn*ed you, now it's time to act. ACTION PLAN A has commenced in NOVEMBER of 2018. OUTCOME of ACTION PLAN A will become visible this month. ACTION PLAN B will be ACTIVATED shortly thereafter. OUTCOME of ACTION PLAN B is what you are all have been waiting for. ACTION PLAN B may be activated during OUTCOME of ACTION PLAN A. You ALL had 12 Month to prepare, NOW it's TIME. F*F = HIGH PROBABI*LITY - Once it st*arts, events will happen fast. - you've been warned :*g)

On January 13, 2020 he suggests a more restrictive statement, now what we have been waiting for happens during Action Plan B, not the Outcome. So during Plan B =2020, we already should have seen price increase, which is what people have been waiting for, nothing else. 6/*

Did you see anything? No. November huge price increase, but not what people was expecting at all. And now, you know where price is. Maybe they're in contact with someone who knows the future in some way? May be, but they don't know it and whoever knows it doesn't tell them. 7/*

Did you see something 16, 21, 30, good or bad Gregorian or Julian? No. Ad hoc reformulation when dates has passed: they wasn't dates. Yep, sure. 8/*

What about Christmas presents? It doesn't make sense in any possible world to post pictures of Christmas presents and the meaning has nothing to do with a fucking Christmas present. Or you're a psychopath, of course. 9/*

Ridiculous. 10/*

What about Trump? Did you see anything? Well, this could be on January 13 and then we can't object as clear as before against it. But the new approach suggests first assume he's wrong. So, for now, things look bad. This meant that. 11/*

And this. Nothing. 12/*

Nothing. January 13, 2021? 13/*

In any case, riddlers don’t know about specific dates, or about general ones, and sometimes not even about the events themselves. Their field is general and vague statements with a probability of failure close to zero. Every time they leave this field they fail miserably. 14/*

Did you see Ripple Riddler countdown to absolutely nothing? Well, or he was meaning that he leaves riddlering (dark) because now he works at Flare Finance making videos. Therefore, who I consider a riddler today? Mr Pool and BG123, that's all. 15/*
