@unspinthespun

.....

I have no words.

Half the @CPC_HQ issued press releases yesterday denouncing Trump as passionately as any Democrat did. For some reason it hasn't stopped the Media Party from hanging Trump around their necks.

Sadly @ezrelevant needs someone to help him understand more about the US/US politics and what has been unfolding for decades.

Call me Ezra I can help.

2/ the reality of fact checkers <https://t.co/SGykC7cVI1>

(Thread) PolitiFact. So let's take a look at this "venerable" fact checking site to see what we can find.

Because goodness knows we can all use some help sifting through the "Fake News"

So is this the answer we have been looking for... or a crock? pic.twitter.com/dNctlwJZs5

3/ How we got here (work in progress)

<https://t.co/uazMt2Qx7F>

(THREAD) Henry Kissinger

I spoke to my Momma and she said she never suspected that Kissinger was one of the bad guys. She is in her mid 70's.

So let's take a peek at this monster's history pic.twitter.com/CSMPT6Z5Ka

4/ the reality of Antifa <https://t.co/yIXfuFTFWY>

From 1970. Something people should read if they want to understand more about the roots of Antifa. These recording was thought to be the beginning of Red Army Faction. <https://t.co/rE6uHfwqiX>
