Where JC came from a happy functional fam (surprise) & he was the absolute Baby of the house.

A-niang didn't allow him to cook cz what if he got burned?

A-die drove him EVERYWHERE or sent WWX to accompany him.

A-Jie held his hand when crossing the street.

WEI WUXIAN LEGIT BOUGHT HIM CHILDREN TICKETS EVERY. SINGLE. TIME.

And the worst part was JC KNEW it wasn't intentional, WWX REALLY had a hard time remembering that just bcs JC was the youngest, at 18 he wasn't a Baby anymore.

He was going to start college soon!!

JC's dream was to be Independent & acted his age for once instead of being babied by everyone.

(Seriously, A-Die BABY PROOFED his new apartment so JC wouldn't bruise when hitting the table corners, and A-Niang asked he apartment manager to make sure JC ate 3 times a day. STAHP).

At the apartment next door, lived Lan Xichen.

First born. Heir of the family business. Gotta be perfect, responsible, independent, reliable, two steps ahead. The family's pride and joy, but also his parents' emotional support eldest son.

Kinda feel so done sometimes but

had to stay ■■■ because he was THE Eldest Son you know?? He was Too Old for mental breakdown whatever. He got this. Conceal, don't feel.

The show must go on.

.
.

They met at the elevator.

LXC was carrying bags of groceries (independent, need no help) and JC was enjoying his

1st day as an Adult and Free Man, so he offered to help.

LXC almost MELTED because finally?? Someone saw that just because he had strong arms didn't mean he enjoyed carrying all of these alone ■

They chatted.

Then JC invited LXC for dinner (his first time cooking without

A-Niang's hawk eyes!! FINALLY he got to try those challenging recipes instead of just frying eggs every goddamn time.

LXC: ■■■ Someone cooked for me ■■■

The dinner turned out great. LXC stayed to watch movie together.

JC was happy to entertain his first guest BY HIMSELF

without A-Niang's fussy instructions and A-Jie's worried whisper of, "careful, A-Cheng, the tea's hot! Just let WWX brought the tray, ok? Here, you brought these cookie jars--careful, dont drop it!"

He provided LXC with everything, like an indulgent mother.

LXC living the life.

They became friends, and then, boyfriends.

They hd the dynamic of their dreams.

Outside, LXC was the reliable Lan-da ge. Inside, he was JC's spoiled big baby.

JC was still the baby who got 3 calls a day from each member of the family; but he was also the mom bf (TM).

JC enjoyed pampering LXC & being in charge.

Except for a few things.

Like bed activities.

Bcs apparently, while LXC loved being pampered, his Eldest Son nature wouldnt allow complete submission. Gege was still the alpha of the pack. In some territories, gege was the Boss.

As such, JC was the bratty baby by nature. Still needed gege's guidance & protection ■

Also because JC loved taking it more than plowing it, less work you know, and LXC was SO SEXY in his boss mode he couldn't even.

Basically: mom friend bottom JC & his baby top. That's it.
