#Justin A day before the [@MyMDC_T](#) EOC, the party Treasurer General says he is unable to fund travel costs for delegates to congress because the money was allegedly stolen. We share contents of the letter from [#ChiefNdlovu](#)

25th December, 2020

From : Office of the Deputy Treasurer General

To : All MDC-T EOC Delegates.

My office has been inundated with calls from concerned EOC delegates who by now should have received their Provincial transport allocation.

It has come to my attention that some of our members may not be able to travel to the EOC due to lack of funding. Equally I have received allegations that the Treasury is refusing to make payments for EOC, nothing could be further from the truth.

I would like to take this opportunity as your Deputy Treasurer to inform you that as treasury we are not able to pay due to the fact that funds were withdrawn from the party account on the 18th December 2020, we are still pursuing and trying to get some Standing Committee members who were involved in the unapproved transfer to return the money to the Party.

I was left a bit shocked to learn that the SG expects Treasury to release money when he is the one who transferred all the money out of the account without my explicit approval. Perhaps the SG must inform members where the money is. I certainly do not have any knowledge of who he sent the money to or what has happened to those funds.

The transfer was reported to the SC on the same day 18th December 2020. The matter was played down by the SG for reasons unknown to me. To this day the Party has not recovered the money. There is little money left in the account, a paltry \$500 000 now remains in the account today.

ALWAYS VOTE MDC-T

Mwonzora allies in demo over voters roll

THE fight over the MEDC-T party's voters roll to be used this Sunday at their extraordinary congress escalated yesterday after supporters of secretary-general Douglas Mwonzora staged a demonstration at the party headquarters in an attempt to discredit the one favored by the party interim leader Thokozile Khuphe.

Mwonzora's supporters claimed that Khuphe's preferred voters roll, which is based on the 2014 MEDC-T structures, which was adopted by the party, was not bona fide and was used by the MEDC Alliance at their elective

Mayhem rocks Khupe's camp

BY RICHARD MUPONDE

FIERCE fights over money and a voters' roll that was found to be in shambles scuppered the second attempt by the Thokozani Khupe-led MDC-T to hold its congress to elect a new leader, it has emerged.

The aborted congress had been scheduled for Harare yesterday, but was postponed at the eleventh hour after Khupe and her main rival Douglas Mwonera were involved in a vicious battle over the voters' roll, which was allegedly manipulated.

Amounts withdrawn without my explicit approval are as follows:

18/12/2020	\$2 400 000.00
18/12/2020	\$1 755 000.00
18/12/2020	\$1 800 000.00
Total	\$5 955 000.00

The duties of the SG and that of the Treasurer are clearly outlined in Article 9.5 and 9.7 of the constitution respectively read together with Admin and Finance Provisions. Any policies that we may have derive their power from the constitution..

and committees cannot assign new powers to themselves.
Many members have questioned how it was possible that the amounts be transferred by any other person other than the Deputy TG 2 people have capacity to transfer funds from the account based on the current signing arrangements

That is the Deputy T G and SG

In the above transactions I did not transfer any funds out of the party despite the fact that I received some communication to do so I was unhappy with the information I received hence my inaction or refusal to transfer.

Be advised that as the Treasury we have not received any funds from the above withdrawals.
