@Sahilbalani25

Were the insiders aware of INFY's buyback news?

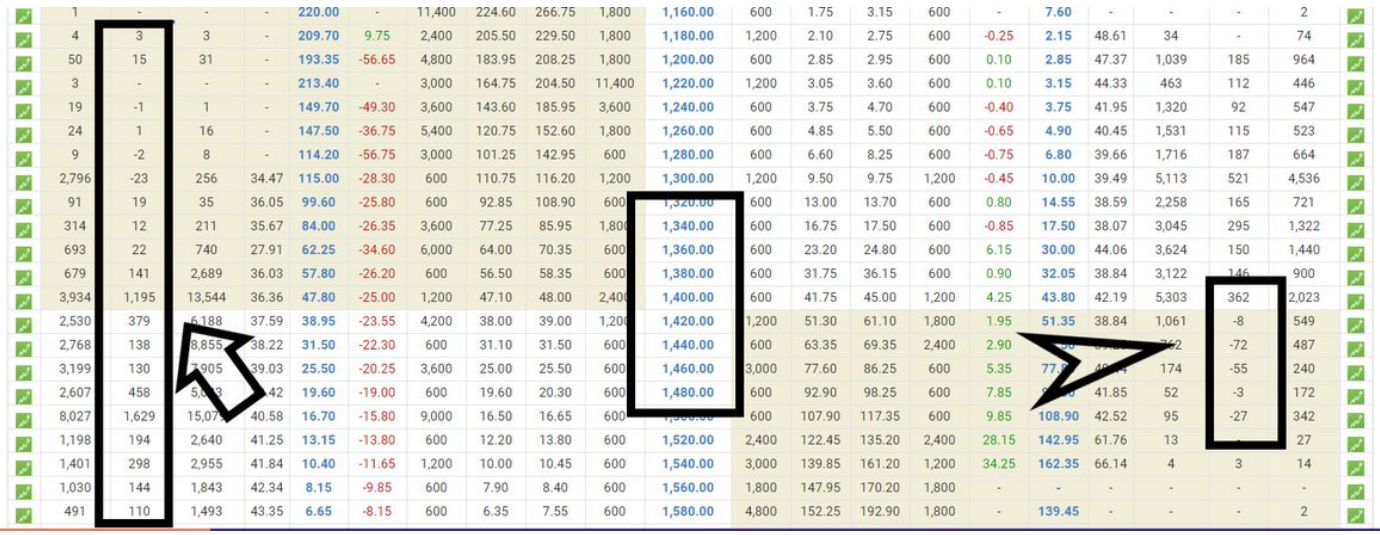

Yes, they were..

Have a look at the option chain data-

>Huge call writing at ATM/OTM/even ITM strikes.

>Put unwinding visible in ITM strikes

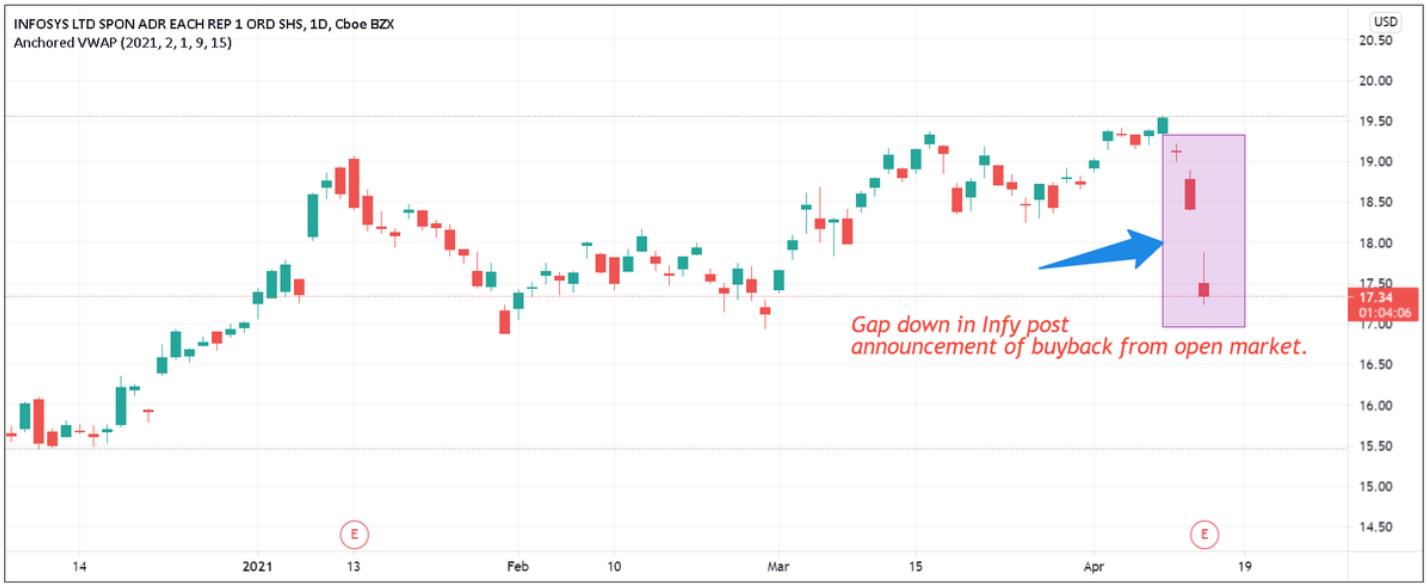

>Put writing at ATM/OTM strikes is by retail (Not so informed players)

Many things are hidden in data if u search correctly..

Wanna learn Option chain reading & its effects on stock way ahead ??

Coming up soon with lots of interesting stuff in depth🙌■
