Meanwhile, this thread is just based on few famous ppl. There are many others. And this too not enough to glorify Prophet Mohammad ■ existence on earth as it is far bigger and beyond, to be encapsulated in words. He was sent by Allah SWT as the 'MERCY FOR ALL THE WORLDS'

And that precisely says it all. He was the messenger for all of the worlds creation not just ppl of one particular religion. Understand this or be ready to face THE CREATOR's Wrath.
