We are in the virtual courtroom for #JulianAssange's extradition judgement. Our tweets will be on this thread and #CNLive! will go to air 30 minutes after the hearing concludes.

The image we see is a close-up of the dock. Empty as yet...

#Assange

#JulianAssange has not yet arrived.

Movement in the courtroom again. The other window of a split-screen shows defence lawyer, Mark Summers, anxiously waiting.

Awaiting Judge Baraitser, #Assange is talking with Gareth Peirce. Mark Summers is talking on the phone, looking non-plussed.
