1. Precious Beloved Ones! From The Infinity Of Love, I Call To You! As You Deal Endlessly With The Challenges Of The Density Of Planet Earth, I Ask Within What I Have To Offer In These Moments.

2. Please Understand That All Of My Family Has Incarnated To Earth In Many Waking Dreams. I Have Been There Many Times. As I Sit In The Ethers Of Timelessness, I Am Consciousness Clothed In Flesh, Just As You Are!

3. I Have Been Royalty, I Have Lived In Poverty, I Have Been The Hunter And The Hunted.

When You Complete This Dream, You Will Know Me. You Will Remember Our Dreams Together! You Will Understand The Heartbreak Of Loss And The Deep Lessons Of Your Soul.

4. You Will Meet Children, Parents, Friends And Family That Have Remained With You Throughout All Dreaming.

We Call This A Waking Dream Because It Is Simply A Density Where You Are Focused In Consciousness On Now.

5. In This Dimension Of Location, You Are Only Able To Remember This Dream. When You Sleep In Your Bed, You Enter Another Level Of Consciousness That Seems Very Real. You Dream. Upon Awakening, You Realize It Was All A Dream.

6. Some Dreams You Are Glad To Escape And Others You Long To Remain Asleep. So It Is With The Experience Of Now. The Reality That Seems To Be Absolute, Is An Illusion In The Whole Of Your Consciousness And Being!

7. You Would Never Want To Remain Here Infinitely! You Entered By Choice And Your Plans Were Great, Knowing You Could Not Be Harmed, Any More Than Asleep In Your Bed! You Are Dreaming Awake, Yet There Is So Much More!

8. There Are Densities (Vibrational Frequencies) And Dimensions (Locations) That Await You When The Grand Shift Happens When You Least Expect It! Live Your Life And Do Your Best To Find Joy! If It Means No News For Awhile, Be Assured, You Can Quickly Catch Up!

9. Breathe Deeply Now. I Love You So!

As You Move Through Moments That Seem Ordinary And Repetitive, Pay Attention To Them. Be Aware Of Your Breathing, Your Body And Each Move. Move Slowly And Do Not Be In A Hurry. Just BE The Precious Soul That You Are!

10. Many Are Alone, Hungry, And Are Losing Hope. For Such A Forum As This, The Only Purpose To Be Here Is To Reach Out In Love And Encouragement. Giving Updates Will Always Be. But Precious, Beloved Ones, Since This Message Began, Thousands Are Considering Harming Themselves.

11. Even More Are Thinking Of Harming Others! YOU Can Make A Difference! When You See One Expressing Fear, Hurt Or Anger, You Can Reach Out In Love And Find One Thing To Say That Will Bring This To A Stop.

12. If Someone Is Struggling, Tell Them You Care And Will Be There For Them. You Never Know If That Person Would Have Made It Through The Day. You Never Know. Remember This!

13. Beloved Ones Of My Heart, I Hold You In The Sacred Essence Of Infinite Love!

Be Kind To All And Know That The Best Is Yet To Come!

Surrender To Love And Your Path Will Open!
I Love You So!
