HOW TO MAKE A LADY CUM FASTER (18+)

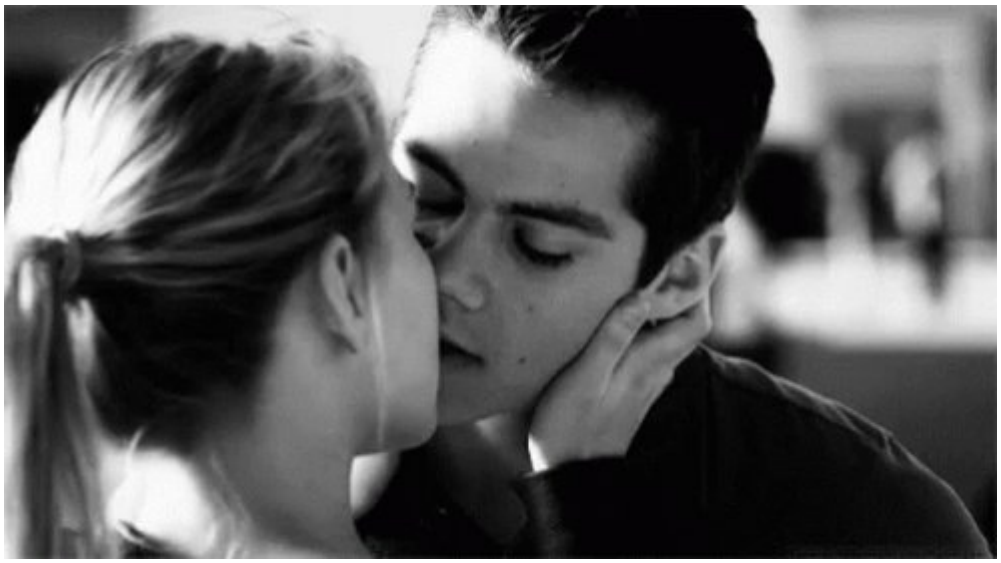

Sweetie, mastering the art of the 15-minute orgasm isn't easy. So, I prepared this thread to help you guys become a master at this game.... So let's GET DIRTYYY■

What type of pussy do you like?

OH!-MINUS 15 MINUTES

The first three minutes of your 15 should be spent kissing your partner.

• so I want u to tilt your head to the right while kissing her. You're going to feel some connection and trust as you passionately kiss her for 3minutes■

Make sure you're not just kissing her mouth, though.

• Slide off the lips to her neck occasionally so that her neck doesn't become desensitised.

Now you need to get co-ordinated. Each time you kiss her neck, remove an item of her clothes■

Make sure you compliment your partner on each part of her body as you undress it.

Make sure you kiss and caress as you remove her clothes ■■

OH!-MINUS 12 MINUTES

She’s almost naked now but keep her underwear on for another minute or so.

• Now I want you to Stroke and caress her whole body through her panties or fabrics■■

KISS HER PUSSY■ KISS HER CLIT■

Tease her by;
• Moving your fingers in a slow & circular motions just inside her pussy.
• Moving your fingers on her thighs■
• Moving your tongues on her nipples

Focus on building anticipation rather than going straight for direct stimulation. You feel me?

OH!-MINUS 10 MINUTES

• With one hand, pull up her clitoral hood, Then lick from side to side across its base, just above her clitoris. — This really feels Good■■

• Place one finger of the other hand on the area directly below the opening of her vagina.

Use any of these:■

OH!-MINUS 7 MINUTES

Orgasms are not all about foreplay. It's more about the length of intercourse.

Avoid deep thrusting it might hurt a little and spoil your procedures. So, instead try the Missionary style.
