This scripture is not only deep, but, also very profound.

Ephesians 2:6 KJV
And hath raised us up together, and made us sit together in heavenly places in Christ Jesus:

Ephesians 2:6 MSG
Then he picked us up and set us down in highest heaven in company with Jesus, our Messiah.

1. "He hath Raised us up..." KJV
"HE picked us up. MSG

2. "...and made us sit together" KJV
"...and set us down" MSG

3. "sit together in heavenly places in Christ Jesus" KJV
"set us down in highest heaven in company with Jesus, our Messiah." MSG

Truly, He raised us up. Truly, He picked us up.
Truly, He made us sit 2geda in heavenly places with Christ.
Truly, He set us down in highest heaven with Jesus

These quests. thus arise.

Are we still seated?
Or
Have we walked away because, our ways are at cross-purposes with His

If we are truly seated, we will always carry His fire everywhere we go.
1. Worship wouldn't be a burden.
2. Praise wouldn't be a burden.
3. Gratitude wouldn't be a burden.
4. A lot of stuffs wouldn't throw us under the bus and make us look helpless.

Now, when was the last time we had a daily, weekly or monthly review of where we are?

When was the last time we brought out out "Monitor Guage?"

Have you noticed or observed that, We monitor almost everything in life;
From the petrol in our car to that in our generators.

We monitor the money in our banks as well as that in our pocket....

#We monitor our performances at work and those of our subordinates...

#We monitor our health,
#we monitor the temperature guage on the dashboard of our cars, monitor and guage the air in our tyres.

#We monitor virtually everything and take action(s) where necessary to ensure things go on smoothly.

#This action(s) gives us great satisfaction, yet, the most important things are left unmonitored.

#Our spiritual guage has been reading zero for a longtime unattended to.

#Our walk with God has been crooked, yet little or no attention has been paid to this....yet, we are only concerned about the goodies

#Our desire to study the Word has been on the decline for as long as possible...(Bible has become like a sleeping pill)

#Prayer meter keeps dropping daily.

#Fellowship with God is now a quicky, done only when convenient.

#We monitor politics locally and happenings around the world

#Praise and worship is only enhanced when they are played on radio or television, yet,

#Righteousness, holiness,

faithfulness, goodness are all on the decline and we wonder why everything is going haywire..

Our relationship with God which is the ultimate is no longer important...it has taken the back sit, and this in itself, is a monumental error.
