This is my simple trading. https://t.co/e73ijXNKdj

> I don\u2019t have any magic.
> Next week I will prefer to sell put in between strike 30500-31000 as shown in pic. Will manage upto 31000.
> If breaks 31000 as first down support then will exit put nearby 31000 strike and will sell
> 31500 call (will act as resistance again)
