Biden Partners And Sponsors Invested In Dominion Voting Systems.

We know Hunter Biden owns 10% of a private-equity firm called Bohai Harvest RST (Shanghai) Equity Investment Fund Management Co (BHR); he acquired this interest in 2017 after leaving the BHR board.

An investigation into Dominion Voting Systems by Austin Security and Investigation Solutions showed Staple Street Capital acquired Dominion Voting Systems in 2018.

As noted by the Gateway Pundit(<https://t.co/x5ZeV478Y4>), "On Oct 8, 2020, Staple Street Capital filed SEC Form D offerings and sales amount of \$400,000,000 with the Sales Compensation Recipient identified as UBS Securities.

"UBS Securities is a swiss investment bank which owns 24.99% of UBS Securities Co LTD, a Chinese Investment Bank. The remaining 75% of UBS Securities CO LTD is owned by the Chinese government," states the report.

What we didn't know was Biden's sponsors and investors in BHR are strategic partners with COFCO Group which owns 14% of UBS Securities, hence own an interest in Dominion Voting Systems.

COFCO Group is a state-owned enterprise under the control SASAC (The State-owned Assets Supervision and Administration Commission of the State Council).

Hunter Biden's BHR partner <https://t.co/mUxWMS1cRR>, China Life Insurance has a strategic cooperation framework agreement with COFCO dating back to 2013. CLI and Biden's BHR are invested together in other projects China's DiDi which bought out Uber in China.

COFCO Corporation and China Life Insurance (Group) Company <https://t.co/mdSRtqjQqe> signed the strategic cooperation framework agreement in Beijing on February 25, 2013.

Where it gets interesting is Biden's BHR investment with an Uber-like company called DiDi which is a major investment for BHR. DiDi Chuxing lost \$1.6 billion in 2018. CLI backstopped DiDi's losses with their own investment in 2016. DiDi received \$21 billion in financing.

The real problem is influence. CLI as COFCO's strategic partner is one phone call away from Dominion Voting Systems and Hunter Biden. Both of them are strategic partners. All have an interest in a Biden win.

The question isn't whether Hunter will influence the Chinese, after all he has to send half his salary to daddy Biden. The question is how invested are these companies and the Chinese government in a Joe Biden win?

CD Media is investigating how close the ties are between all these companies and the Biden family. So far, Joe Biden's story is a new level showing how deep foreign influence can be.
