BREAKING

China's Elite Capture:

- Over 600 Chinese Communist Party (CCP) members at 19 branches of HSBC & Standard Chartered

- 123 CCP at Pfizer & AstraZeneca (coronavirus vaccines)

- Defence firms Airbus, Boeing & Rolls-Royce employed hundreds of

"In the nine months to September, 14 Chinese nationals were charged over alleged spying offences and the Trump administration last week changed its visa rules so members of the Chinese Communist Party and their families can stay or get travel documents for only a month."

"Last week, John Ratcliffe, the US Director of National Security, warned that China posed the 'greatest threat to democracy and freedom' since the Second World War and was striving to dominate 'the planet economically, militarily and technologically'."

it's been 6 months since my 5 day hunger strike to highlight history's most technologically sophisticated genocide in china
(<https://t.co/Vu8BVi2w4g>)

yet still there's not been a single mainstream UK newspaper frontpage on the Uyghur plight

never stop asking WHY?

Self-evident.

New [@LibDems](#) leader took Uyghur genocide-tainted funds from Huawei board member&refused to rescind

So a Huawei-aided genocide in China isn't a defining issue for members

For all your liberal lip service, Muslim blood is cheap

Does nobody else find it fascinating that Senator Dianne Feinstein's (D) staffer for 20 years has been outed as a Chinese spy

Feinstein's husband invests in Dominion, the software used to count the disputed ballots.

Surely, that's news, no?

1) a genocidal regime sits in china (see Canada's designation)

2) emails allege [@joebiden](#) was on the take for china at 10%

3) secret service logs corroborate alleged email travel

4) there's an eye witness for emails

and that's not a story?

tell that to genocided Uyghurs \u270b\U0001f3fd <https://t.co/G1w9xrcV48>

GENOCIDE BULLETIN:

DAY 4 of my silent hunger strike protesting CCP genocide against Uigur Muslims in China.

Brits, we need 100K to sign the petition in my 2nd tweet below & we secure a Magnitsky debate in Parliament
